Mr. W. H. Downs, a farmer on the Garraux Road, two miles from Owen Sound, will this fall harvest over 3,000 bushels of potatoes, in addition to several hundred bushels of early potatoes already marketed. In spite of the fact that the potato crops, generally, in this section, are not the best, his crop will be uniformly good. This year Mr. Downs had thirty-five acres of potatoes under cultivation. Five acres were planted with early potatoes, which have been harvested and marketed, realizing over six hundred dollars.

At St. Mary's on Wednesday, of last week, the Durham-Markdale lacrosse team got their first set-back in the intermediate championship race, when they lost to the home team by 12 to 5. At half time the score stood four all and it looked as though the two-town aggregation could hold them to a pretty close score at the finish, but luck was against them. In Durham, to-day, the boys will make a desperate effort to overcome and beat the seven-goal lead which St. Mary's has. The Durham boys were over here for a work out one afternoon last week.

At King Edward Park, Markdale, on Monday, Vandeleur and Ceylon played their final game in the race for the championship of the Centre Grey Baseball League and by a score of 25 to 2 the former team were victors. They are not to go up against Dundalk to decide the championship and, if they play the same class of ball they did on Monday, there will be very little chance of the honors going to Dundalk.

McLoughry had charge of the cement work. Mr. W. H. Heard is also improving by cementing his stables. Mr. McLoughry did this job, as also one at Pridville, a foundation for a house.

Dr. Cook and family returned last week to their home in Calgary, Alta., after a visit with their parents in Markdale and other friends at Meaford, Owen Sound, Truxton and Allenford. While staying in Meaford they motored to Massag Beach. A motor trip was taken to Detroit, in which the Westerners were accompanied by Mrs. Thos. Cooke, of Markdale and Mrs. W. J. McPadden, of Orange Valley. Durham, Mr. Forest, Harrington, Listowel, Moncton, Mitchell, London, Windsor and several smaller places were passed through on the trip over. The weather and roads were ideal for a holiday trip and the country, beyond, Harrington was lovely. Many fine farms were passed with splendid buildings and beautiful surroundings. In many of the towns passed through streets were paved, which adds much to the pleasure of the auto driver. The return trip was made by Port Huron and Sarnia. The trip was thoroughly enjoyed by the whole company, but they were glad to be home again.

BORN
TOLTON—In Markdale, on Sunday, September 18th, 1921, to Mr. and Mrs. Alfred Tolton, twin daughters.

Markdale Fair, the big event of the season, takes place on October 11th and 12th. Remember the dates and prepare to be in attendance.

Markdale Cemetery

The newly appointed Board of Management of Markdale Public Cemetery has shown commendable energy in the matter of having that much neglected place improved. The weeds and long grass have been eradicated, markers lowered so that the lawn mower will pass over unobstructed, hundreds of yards of virgin soil hauled in for leveling and mulching purposes, and adjustments of walks and driveways made. Under the skilled superintendence of Mr. J. G. McButt this work is already well advanced. The Board has adopted the now prevailing system in large places of assessing each lot with what it considers sufficient to create a fund, the interest of which is to be devoted to its perpetual up-keep and in this way every plot will be kept uniformly in a tidy, attractive condition. The lot price has been advanced from \$10 to \$15. This was found necessary in order to procure funds for putting the cemetery in good condition, but is still less than the prevailing tariff in well regulated cemeteries. The perpetual up-keep levy is \$15 for a lot 8x18 feet. This would render at 5.25 75 cents a year, which is very reasonable for a perpetual up-keep. Those who have heretofore purchased a lot will be required to level up by the payment to the Treasurer of the difference between the old and the new tariff. The old price for a lot 8x18 feet was \$10. Now it is \$15, besides the \$15 for perpetual up-keep fund. Owners will be required to pay the difference between the purchase price paid by them and the new price on each 8x18 lot.

At the League Service on Monday evening the subject, which was of a missionary character, was handled by Miss Edna McHugh and Mrs. Jarvis Henry.

Last Sunday evening the service was conducted by a Markdale old-boy in the person of Rev. Wm. Irwin, M. A., B.D., Ph.D., of Victoria College, Univ. of Toronto.

His subject, ably discussed, was: "What is Christianity?" The Pastor was free to unite with Mr. Wm. Yates in the rendering of a violin duet. The congregation regret the removal of Mr. Yates, but wish him every success in his new location, North Bay.

Prayer meeting on Thursday at 8 p.m., at which a study of the Book of Amos will be begun.

Next Sunday morning at 11 o'clock there will be a Children's service. The hymns, special music and illustrated address will be in keeping with the character of the service.

The Cradle Roll Department of the Sunday School are happy in the prospect of adding two more names to the Roll, those of the two twin baby-girls who have come to the home of Mr. and Mrs. Alf Tolton.

Since the renovating of the basement of the Church has been undertaken, a surprising circumstance has come to light in the number of panes of glass that apparently have been broken by stones. Now that these are being replaced, an appeal is made to all lovers of clean sport to keep the repaired windows unbroken. In our youthful exuberance of spirit we cannot refrain from casting stones, but we can be careful to hurl them so that they will not destroy property. Lend us a hand, Boys, in keeping our property in first-class repair.

Anglican Church Notes.
