

A DEPOSIT ACCOUNT Creates Credit Standing

THE pages of our deposit ledger are more than a record of the deposits and withdrawals of our customers. From them we read something of the character and ability of the men and women who are our depositors.

Many a customer, through the introduction furnished by such an account, has created a credit standing with the Bank that has developed into one of his most valuable assets.

Form a connection with us now, and later on, should you find yourself in need of assistance, you can come to us with your standing already largely established.

PRICEVILLE
(Special to The Standard.)
The ceremony of unveiling the Soldiers' Memorial was carried out successfully on Tuesday of last week, despite the very damp weather prevailing. The concert at night was well patronized, the addresses and recitations were pleasing and interesting. The musical numbers given by local friends from Fisherton, Durham, and our own village were much appreciated, especially those which commemorated the English soldiers and sailors.

ROCKLYN
(Special to The Standard.)
Very showery weather at present. The most uninviting weather greeted the people on the morning of our annual fall fair, and continued throughout the day. The Society thought it best to go on with the show despite the unceasing drizzle of rain. The inside show was splendid, but the outside show was held under extremely unpleasant conditions, as it is not very enjoyable standing out in the rain. There was a good exhibit of cattle, however, as well as horses, poultry, etc. The concert in the evening, given by local talent, was thoroughly enjoyed by all who attended.
