

### We Finance Farmers

IMPROVED machinery is solving the labor problem on many Canadian farms.

A Bank Loan has, in part, the same relation to farm activities as the use of modern machinery, as the latter enables you to work from two to three times the amount of land formerly cultivated, and a Bank Loan will furnish you the capital to operate the extra land.

If you feel that a Bank Loan will permit you to increase your farming operations, we will be pleased to discuss your plans with you. If they are sound, we are prepared to assist you.

### ARE YOU A MOTHER?

Mrs. Dalton tells of a Well-known Doctor's Prescription that is safe for Young Mothers to take as a Tonic and Nervine because it contains no harmful ingredients.

London, Ont.—Dr. Pierce's Favorite Prescription saved my life three years ago and for that reason I am most enthusiastic in my recommendation of it to women who are ailing and weak. I was taken with the measles when in an expectant condition; then blood poisoning set in and my family became greatly alarmed. The doctor advised them to give me Dr. Pierce's Favorite Prescription and I took several bottles of it and was restored to absolutely perfect health. I later took Favorite Prescription as a tonic and nerve and received great benefit from it. As a woman's medicine it is unequalled.—Mrs. Jennie Dalton, 767 York St.

## The Foundation of Health is Habit

"For every man who has lost his life by what he did in the last five minutes a hundred men have died because of what they had been doing in the last five years."

Life is made up of habits. There is the health habit. And also the habit of ill-health. It is surprising what a lot of people have developed the latter.

What habits of women have bilious spells and bilious headaches about every so often, year in and year out, and never think of correcting the action of the liver, and thereby removing the cause of this oft-recurring trouble.

They have formed the habit of being bilious.

Many are the men, indoor workers as well as those who spend their time in the open, who frequently suffer from backache, and yet neglect to get the kidneys in healthful condition.

It is the backache habit which is robbing life of its pleasures for them.

These are dangerous habits.

Some people live for many years with their systems poisoned by impurities—they live and suffer.

Others soon develop Bright's disease, diabetes, high blood pressure or hardening of the arteries, and quickly have their lives snuffed out.

The greatest rule of health is "daily movement of the bowels."

This is also the most valuable of health habits.

To get back to this rule, to awaken the sluggish action of the liver and kidneys, to cleanse the system and

purify the blood, there is nothing like Dr. Chase's Kidney-Liver Pills.

By using one pill a dose at bedtime two or three times a week, just as often as is necessary to keep the bowels regular, you will in a few weeks restore the healthful action of these filtering and excretory organs

### Bilious Headache

Mrs. John Ireland, R. R. No. 2, King, Ont., writes:

These completely relieved me and made me feel like a new person. I am very grateful to Dr. Chase's medicines for what they have done for me, and you may use my letter for the benefit of others."

### Rheumatism

Mr. George Weathers, Huntsville, Ont., writes:

"I was troubled with rheumatism for eighteen years, and although I tried a number of different treatments nothing did me any good. Finally I tried Dr. Chase's Kidney-Liver Pills, and can truthfully say they completely relieved me."

and correct any derangement of the digestive system.

Dr. Chase's Kidney-Liver Pills will help you as no other pills can get back to the habit of healthy living.

You will live a longer and more comfortable life by reason of their use.

These letters will act as a test of Dr. Chase's Kidney-Liver Pills will prove their merits in relieving the every-day ills and preventing more serious ones.

### Kidney Trouble

Mr. George Stevenson, Toronto, writes:

"For seven months I suffered from kidney trouble, backache and dizziness could get no relief. My back ached so severely that I could not turn in bed. Finally I had to quit work. One day I received a copy of Dr. Chase's Kidney-Liver Pills, and after reading through the mail, and after reading highly of Dr. Chase's Kidney-Liver Pills, I was recommended to try them. I tried various other pills and remedies, but no effect whatever, but immediately after using Dr. Chase's Kidney-Liver Pills I got relief, and two boxes made me well."
