This is an increase of 9 cars over last year, but the selling price was \$53,000.00 less than last year. The cars contained 1085 cattle, 1600 sheep and 2475 hogs. Mr. Fulthorpe, of the Livestock Dept. in Toronto, was present and addressed the gathering at some length on the advantages of co-operative shipping of livestock, and told of the efforts being put forth by the United Farmers' Company to benefit the patrons. Considerable discussion took place on many important matters.

A preliminary meeting in connection with the proposed Old Boys' Reunion in Markdale during the coming Summer was held in the public library on Tuesday evening. Considerable discussion took place as to the ways and means, and adjournment made until Thursday evening at 7:30 o'clock. Stratford police are in receipt of a letter from a publishing firm in Toronto, stating that fake agents are on the road, soliciting subscriptions for that particular publication. Citizens are warned against subscribing to any magazine or newspaper, without first being convinced that the solicitors are bona fide agents. A safe way is to hand in or send such subscriptions to The Standard Office. We will save the expense and trouble of remitting and be responsible for their prompt and safe delivery—and there is no additional charge for the service we render. Can you beat it?

The lecture given Monday evening in the Presbyterian Church by Mr. John McQuaker, of Owen Sound, was deserving of better patronage than it received. Mr. McQuaker is an interesting talker at any time on any subject but on this occasion he excelled himself. Having visited the battlefields of France and gathered his information carefully he has the subject well in hand and delivered it in a very capable manner. Those who attended, were well repaid for their time and expense. It is the intention to have Mr. McQuaker here again before long to deliver another address.

HOCKEY

Markdale-10; Chesley-2.

The final game in the O.H.A. Intermediate series for the district including Warton, Chesley, Owen Sound and Markdale-Dundalk was played in Owen Sound on Friday evening of last week with Chesley and the locals as contestants. The game, as indicated by the score, was very much one-sided. The result was a foregone conclusion and as result the attendance was slim.

The first period ended 2-0 in favor of the M.D. aggregation, the scoring being done by Burns and Merriam.

In the second period Burns tallied twice and the Chesley boys got one.

In the third period Markdale added six more while their opponents were able to add but one, making the final score 10 to 2.

The locals' line-up was as follows: Goal, Heimbecher; defence, Mercer and Pletch; centre, Creighton; wings, Burns and Farrell; subs., Armstrong and Merriam.

Markdale-15; Owen Sound-10.

The locals won the first game in the N.H.L. series by defeating Owen Sound here on Wednesday evening of last week. The game was void of interest as the locals were loafing nearly all the way through and the spectators were disappointed. Unless the Sounders can strengthen their team very materially their chances for winning a place in the running for the N.H.L. championship are very slim. Markdale's players were about the same as those taking part in previous games, although Creighton and Armstrong were not on the line-up, and J. C. Mercer was officiating as referee.

Evidently Warton can only see their famous (?) Redmen. The Warton Echo says that not one member of the Markdale team could catch a place on the Warton line-up if they wanted to. We make the statement unreservedly; that Warton cannot tell a real hockey player when they see one, Farrell of the Markdale line-up can play better hockey than any man that ever played for Warton. Dad Ashley is a good hockey player granted, but for hockey strategy and generalship Farrell has it over the much touted Ashley like a tent. Farrell at the same time can play and skate just as fast as Ashley ever thought he could. Let no one imagine that we hold any brief for Markdale but when one reads the stuff that has appeared in the Echo it makes one sorry for the people who come from that end of the Grand Trunk. Owen Sound Advertiser.

At Chesley on Tuesday evening Warton defeated the home team by a score of 7 to 5, thus winning the right to meet Markdale for the championship of this District in the Senior N.H.L. series. The game will likely take place next week in Owen Sound.

The Dundalk Herald was awarded the County printing.

The Methodist Church is putting in electric lighting.

Walters Falls—Mr. R. Olmstead intends erecting a fine brick house in the Spring.

Euphrasia Man, Died in Arizona

The unexpected death of a well-known Euphrasia Township farmer, Mr. Samuel J. McKnight, formerly of Fairmount, occurred on Monday, January 23rd, at Tucson, Arizona.

Mr. McKnight, who was an extensive breeder of registered Shorthorn cattle, had disposed of his fine pure bred herd some three years ago and went South in hope of improving his health. Last fall he paid a visit to his old home on the 4th Line, Euphrasia, and at that time he appeared to be restored to his usual good health. About the first of December last the deceased left with the intention of spending the Winter in California and other Western States, and was in Arizona at the time of his demise.

The remains were brought to the residence of his only brother, Mr. John McKnight, of Fairmount, and from there taken to Thornbury Methodist Church, the service being in charge of the Independent Order of Oddfellows, of which he was a member. Interment took place to Union Cemetery, Thornbury. The deceased was unmarried and is survived by one brother, John, of Euphrasia, his father, the late Samuel McKnight, and his mother, predeceased him some ten and seventeen years ago.
