\$5,000 or \$10,000 would come in mighty handy to you to-day, wouldn't it? Think, then, how much more valuable it will be to you at forty-five or fifty. Of course, you'll say, I'll have been successful and won't need it then. But stop! You may—and if you do, you'll need it more than you do to-day. Your producing years will be waning and \$10,000 will mean all the difference between a dependent and an independent old age. The Royal Road to LAUGHTER leads to the REGENT THEATRE This Friday and Saturday where **TOM MOORE** is appearing in **MADE IN HEAVEN** Ladies' Night

Hiram Lodge No. 490, A.F. & A.M., entertained the wives and lady friends of the members on Friday evening last. The program consisted of a mock parliament, in which the parties participated. The Government was under the leadership of Dr. L. G. Campbell; the main opposition under the leadership of Rev. F. N. Boves, while S. H. Buchanan had charge of the third party. The affair was of a most amusing and pleasant nature. The Government was ably defended by T. S. Cooper, Dr. J. A. McArthur, Ran. Bradey, Rev. J. Thurburn-Coom, A. E. Colgan and Dr. Campbell. They were given effective criticism by A. L. Watt, J. C. Mercer, T. H. Reburn, Rev. A. Richardson and Rev. F. N. Boves for the opposition and by S. H. Buchanan and R. Padden for the third party. Mr. Johnson Lucas acted as Speaker and was called on to give decisions as to rulings on several occasions. The debate was pretty well balanced and no party excelled in particular. After the debate, lunch was served under the direction of the Junior Warden, Bro. S. A. Morrison, and was enjoyed by all present. The ladies moved, seconded and passed a vote of thanks to the members for their entertainment before "Auld Lang Syne" was sung as a closing ode. There was a good attendance.

Methodist Church Notes
Prayer Meeting on Thursday evening at 7:30 in the Church Parlor. Next Monday evening there will be a very special programme for the Epworth League. The Westside League of Owen Sound and the Masse League of the Chatsworth Circuit are sending representatives to Markdale to debate. These Leagues met at Chatsworth and the result was a tie. They are now ordered to meet at Markdale and break the tie. It is reported that many supporters will accompany them, as interest has reached a fever-heat. It is hoped that Markdale will provide them with an interested audience, too. Notice the time, 7:30. The visitors want to finish in time to catch the Northbound train. A silver collection will be taken to help defray expenses.

The Mission Band, under the superintendency of Mrs. J. A. Erskine, will hold a Bake Sale in the Dept. of Agriculture on Saturday afternoon. Refreshments will be served. The W. M. S. meets this afternoon at Mrs. Cook's. In addition to the regular business there will be the appointment of a representative to the branch meeting of the society. The Ladies' Aid Society will provide a first-class entertainment in the Church basement on St. Patrick's night, March 17th. The Phlegmer young people will give their play "A White Shawl," for which they have already won some notoriety. It is generally recognized as the best and the best play of the year given in this community. In addition there will be other programme including St. Patrick's Day. April 12, 13, 14. These dates are coming nearer. Keep these dates open.

Cooke's Church Notes.
Devotional services during the 11th Evening at 7. Sunday School and Bible Class at 10:30. Prayer meeting on Thursday evening at 7:30 at Mrs. Jordan's. Morning subject: "Teaching of the first epistle general of John fourth in series." Evening subject: "The message of Joel—fourth in series." Remember the grand concert in the Armories-to-night. It will be worth while. Are you taking part in the responsive reading? There is much to join in taking part in this part of the means of grace. The missionary spirit is gaining among our people. Have you read the book of Acts yet?

Anglican Church Notes
The new organ blower is giving perfect satisfaction. A new and beautiful electric fixture has been placed in the Chancel, which, when illumined, adds greatly to the cheerfulness of that part of the Church. New books have been provided for the use of the members of the Choir. The new Revised Canadian Prayer Book will be on sale about the second week in April and may be purchased at Mr. Johnson Lucas' Drug Store. A Summer Camp will probably be held for the members of the Sunday School sometime in July. The Ash Wednesday Service was well attended. The interest in last Sunday's services was quite marked. In the evening the doctor took as his subject "Religion in the reign of Henry VIII." He introduced his subject by calling attention to the decadence of the Church in the 15th century; the Renaissance of Humanist Movements; the Worldliness of the Papal Court; then passed on to speak of the condition of things in England and the policy, character and tyranny of Henry VIII. The subject for next Sunday morning service will be "The Fallen," and in the evening "Religion in the reign of Edward VI." Choir practice on Friday evening at 7:00 o'clock. Service on Friday evening at 8 o'clock. Subject of address: "Some principles of the Holy Catholic Church."

Successful Carnival
The carnival held in Markdale rink on Thursday evening, last, under the auspices of the Athletic Association, was one of the most successful events of the kind held for some years. There was a large attendance and those in costume were numerous. The costumes were above the average, many coming from outside points to participate. We have been unable to procure the names of the prize winners in the various events as well as in the races. The most amusing feature, of course, was the hockey match between the Has Beens and the Never Wases. A football was used for a puck and brooms were substituted for hockey sticks. Several of the players had not been on skates for a number of years and they were so busy trying to keep from falling that they had very little time left to participate in the goal getting. The Never Wases scored one goal in the first period and in the second the Has Beens evened up. The latter scored a goal which was disallowed by the referee because Cecil Alton put it in with the net with his hand instead of with the broom. Another game between the teams would be a big drawing card, as the spectators enjoyed the fun, immensely, despite the fact that the players were quite ready to call it off, even before the time was up. The line-up was as follows: Never Wases, goal; W Dundas; defence, J. H. Stephenson, W. J. Howard; wings, C. E. Armstrong, S. A. Morrison; centre, Geo. Alton; rover, Geo. Dundas. Has Beens; goal, Jack Johnson; defence, Dr. L. G. Campbell, A. E. Colgan; wings, A. Sproutle, Dr. J. A. McArthur; centre, W. Hill; rover, Cecil Alton. Referee, Jos. Armstrong.
