but the Spring of 1922 will break all previous records. Additional men are being taken on at the Ford Plant, Ford, Ont., in an effort to cope with the demand, but the only way to make sure of your Ford in March or April is to place your order now.

We will store your car until you are in a position to take delivery.

When well displayed, an advertisement in the local paper starts them selling. The merchant looks upon the manufacturer or jobber as his warehouse. Once a week, or oftener, he checks up what new stock or odd sizes he needs, and orders them by Long Distance.

Shipment is often made the same day by express, parcel post, or freight. Quick delivery becomes possible. Customers are enthusiastic to find they can buy what they want in their home town. Reputation grows rapidly, and the yearly turnover increases notably.

By designating an experienced employee to handle out-of-town messages, their customers' calls are made at the low Station-to-Station rates.

Could Not Eat

Constipation is caused by a torpid condition of the liver. Dosing with salts, castor oil, etc., to move the bowels, cannot afford more than temporary relief.

If you are to rid yourself of this ailment and the scores of annoying symptoms and diseases which come in its wake, it is necessary to get the liver right by such treatment as is suggested in this letter:

Mrs. Alvin Richards, R. R. No. 1, Seeley's Bay, Ont., writes: "For two years I was afflicted with indigestion, and in the morning when I got up my breath was bad. I had a poor appetite, and just felt like eating certain foods. I used many different medicines as a laxative without benefit, and the doctor's medicine did not help me at all. Finally I tried Dr. Chase's Kidney-Liver Pills, and found them better than anything I had ever tried. I can highly recommend them to anyone troubled with constipation or kidney troubles."
