## Football Club Organize

The local football players met on Wednesday evening last and organized for the coming season. The following officers were elected:

Hon. President..... Dr. Brown  
President..... Wm. Jackson  
Secretary..... J. C. Mercer  
Treasurer..... H. Pullam  
Manager..... J. S. Shepherson  
Executive Committee—C. R. King, H. Pullam and E. Roberts.

A team has been entered in the W.P.A. Intermediate series and also expects to enter in the proposed Owen Sound and District League. Such League series should afford some good games and the Club is deserving of our citizens' support as football is rapidly regaining the old-time popularity and the locals have some good material who, with a few weeks' practice, should form a strong line-up.

The Club is considering a program of sports for May 24th. Particulars later.

## Clean-up Week in Markdale

The first week in May will be observed as Clean-up Week in the village and all house-holders are requested to collect all rubbish, place in suitable containers, and leave it where it will be handy for the drayman to get it for loading. The Council will pay for cartage to the dump ground of all such rubbish, when properly prepared. It will be necessary to notify Percy Sims, the drayman, or one of his men, when you will be ready for him. Collections will be made each day during the week between four and six o'clock in the afternoon. Now all together for a real clean-up!

## Tea Growing

Very Expensive

The very high wages that have to be paid to workers on the tea plantations in India and Ceylon, due to social and political unrest, has caused the price of tea to rise consistently in the primary markets in London. This influence is now being felt farther along the line and it is to be expected that the price of tea will increase to the consumer in the near future.
