An old landmark here, a stable erected by the late Mr. Robert Trimble over fifty years ago, was taken down last week by Mr. W. A. Armstrong who now owns the property. When a lad at home W. Trimble, postmaster here, used this stable to bank his spare coin for holiday spending money, but a deposit made mysteriously disappeared and could never after be found. The silver coins were wrapped in paper which most likely mice nested in and scattered the contents, for last week two pieces of the hidden treasure were found by the workmen and are now prized souvenirs of the early owner.

The residence of Mrs. R. P. Legate at Ceylon, together with nearly all the contents, was destroyed by fire about one o'clock on Friday morning last. When discovered the flames had made such headway that only a few pieces of clothing could be saved. Mrs. Legate, who was alone, was asleep when roused by her neighbors. A defective chimney is supposed the cause. A stable close by belonging to Mr. Pedlar was saved only by the strenuous work of the fire fighters, men and women.

R., at Mount Clemens, where he has lived for many years, and has been a helpless invalid for over three years from a paralytic stroke. Mr. Trimble's old friends here sympathize with him in his affliction and with his esteemed wife in her long anxiety.

Appetite Good, Gained 20 lbs. Could Not Feel Better

From a nervous wreck this man was restored to health, strength and happiness.

He tells his own story in this letter.

Mr. Ralph A. Roberts, Lovena, Sask., writes:

"In 1917 I had lost all appetite, failed 25 pounds in weight, became very nervous and shaky and in fact given up all hope of recovery. For some time I had suffered from constipation, which kept getting worse, until I was fast becoming a total wreck. Doctors and their drugs were sending me to my grave at the age of 39."

"Then I read about people being restored by Dr. Chase's Medicines and after three months' use of Dr. Chase's Nerve Food and Kidney-Liver Pills I found that my bowels were restored to normal movement each day and the constipation was no more. I had a good appetite, had gained 20 pounds and could not feel better. I shall always be grateful for these benefits."

which became severe and proved fatal, notwithstanding the skill and care of the physicians who waited on her. Three children in the home also have the fever, but milder and are recovering. Owing to the nature of the illness, the funeral took place to Flesherton cemetery on Monday afternoon, Rev. F. G. Fowler, pastor of Chalmers church here, conducting the obsequies. The deceased, who was brought up a Presbyterian, was a highly esteemed woman in the community. She was 33 years of age and was born in the Township of Bentinck, eight miles from Durham, where her marriage took place, twelve years ago. Her maiden name was Bella J. Grierson and she was a daughter of Mr. Robert Grierson, a well known resident of Bentinck. Her husband and five children survive, the eldest being twelve years and the youngest a babe of four months. The community is moved with deep sympathy for the shortly bereft ones.

Long Distance puts the Big Warehouses at your Elbow.

"No, I won't load up with a big stock" — said the enterprising but cautious dealer — "if they sell as well as we hope, I can easily get in touch with your house by Long Distance and order more of them."

Re-ordering by Long Distance makes it entirely practicable for dealers to carry small stocks, thus keeping down their capital investment, and yet not lose sales by being out of stock. The wholesaler's and manufacturer's warehouses are virtually at the dealer's elbow. The goods are often shipped the same day.

It also enables dealers to try out the novelties and new styles people have been reading about and are asking for, on which the margin of profit is usually greater than on staple lines. "Use the Bell to Sell" — and to Buy.
