HERALD BOUGHT PROPERTY

(Dundalk Herald)

Since the fire which destroyed The Herald plant in December we had hoped to get into a new building which the I.O.O.F. Lodge were proposing to build. However, tenders for the building were so high that the Lodge decided not to undertake the enterprise at present. The Herald not being able to wait longer, decided to buy a property so purchased the McCullough Block on Proton Street, part of which we will use for front office, and build an addition at the rear for heavy machinery. The McCullough building is prominently located in the business section. It is frame and one story. The Herald will need a "bar'l of money" right away to build and instal the new plant. Our dear subscribers-in-arrears can help us out.

A. E. Almond, R. O., the noted Eye Sight Specialist, of Toronto, will be at the Revere House, Markdale, Thursday, May 18th.
