HER MOTHER

head. So then she struggled and

lessly literal Teddy.

No. I mean the windows were open. The front door was open, too.

The house was being cleaned."
"What was it being cleaned with?"

"You could go up stairs," g'amma continued, "from the front door, straight to the attic, and the attic

"I said the house was being clean-

"Well, did you throw the dist out of the windows?"
"No--that was to let the air in."

"Well, but you said you used soap

"With the cart tied onto her?"

tering at her heels-"

"Oh! Well, go on."

"Well, didn't they get killed?"

What did happen to them?"

"How do you know?"

"Wasn't Daisy hurt?"

"She didn't seem to be."

Teddy was silent a moment.

But just them father came.

And father did not smile.

"Yes. How is Muriel?"
"About the same."
"Did she ask for me?"

"Was she conscious?"

"A few minutes."

"No."
"Did she ask for the children?"

"How long were you there?"

With a sharp intake of her breath

Mrs. Mitchell put her hand to her hroat. "I must go to her."

"But she's dying! I know she's dy-

"I don't know."

'I looked from the window."

"Wasn't the cart all broken

"I don't think, that was much of

"One of the wheels came off."

'Cats don't have heels."

"What were they open for?"

"With soap and water."

"Oh, Well, go on!"

vindows were open."

BY LUCIEN L. WALDO.

Oh! Well go on," said Teddy, Betty rolled back in gamma's arms, and now hall then came and stood, all vaguely understanding but content to let Teddy ask all the questions while she fumbled at a little gold locker! "Daisy was pulling the cart up the hanging from a chain round g amma's front walk," said g'amma. "The house the sky with sunrise. "Wants—us?"

Daisy used to pull the part all "And in the house?" 'And up and down the stairs?"

Yes.

Didn't the cart ever get stuck?"

f'Oh, yes, Daisy would try to crawl under chieffs and tables with it to get

"Did she ever get rid of 1?"
"Yes. Sometimes. But your mother would fix it again."
"Wish I'd seen it," Teddy laughed. Then Belty laughed, Then Belty laughed, too. directed Tedly, imperbusly. Daisy used to try to jump up into into with it."
Why o'd Daisy to that?"

me go! What right have you to hold me back?"

"Mrs. Mitchell, I'm not holding you back." He was calm, but it was the calmness of a terrible intensity. "I brought you here because you were worn out—and for your own sake as well as for Muriel's sake I hoped you would stay until you were thoroughly rested. You can't give strength to her till you have strength to give."

They left the children in the care faithful nurse and took the next train into town.

"Let 'me warn you," said the doctor, "to say very little and not to stay long. She is still very, very weak. The least excitement now will sap her strength and retard her recovery. She has barely rounded the crisis. But she
