RURAL ONTARIO GAINED IN POPULATION **DURING THE LAST TEN YEARS**

President Reynolds of Ontario Agricultural College Shattered Some Popular Conceptions in a Recent Speech-Considerable Shifting of Residents Due to Ascertained Economic Causes.

A despatch from Guelph says:- people than for townspeople and for There has been no rural depopulation the nation.

in Ontario the last ten years, although In an analysis of the 1921 census rethere has been a considerable shifting turns, President Reynolds declared of the population in the country dis- that the districts surrounding large riets in that period; asserted Presi- cities have become suburban areas,
