Obituary

One of the best known and highly respected residents of Berkeley passed away on Friday night, July 21st, in the person of Mrs. E. Sargent. She had been in poor health since April, 1920. She was confined only two weeks to her bed, but not until the last day was her illness considered serious.

Her death came as a shock to her family and many friends in this district.

She was born near the village of Alton 53 years ago, the oldest daughter of Mrs. and the late Mr. Fred Stafford, 51 years ago her parents moved to Holland Township where she has since resided. In 1891 she was married to Edward Sargent and for a time lived on a farm near Berkeley. Twenty-two years ago they moved into Berkeley post office where she resided until her death. Having lived there so long, the late Mrs. Sargent was very well known and in her death the community suffered a distinct loss. Always willing to help anyone in trouble, she will be mourned by a large circle of friends.

She is survived by: Mother, one sister, Mrs. T. Wiggins; three brothers, Frank, Willie and Arthur; her husband, and one daughter, Mrs. G. Caswell, and one granddaughter, all of Berkeley.

The floral tributes were numerous and very beautiful and showed the esteem in which she was held by friends and acquaintances.

Friends from a distance were: Mrs. McQuillon, Detroit; Mr. and Mrs. Jas. Leslie, Mrs. Angus McArthur, Owen Sound; Mr. and Mrs. R. W. Martin and Son, Jos., of Collingwood; Mr. and Mrs. McArthur, Mr. and Mrs. Jos. Stafford, Mr. and Mrs. Roy Rowe, all of Dundalk; Mr. and Mrs. Fred Stafford, of Williamsford; Mrs. Milloy and Mrs. J. Watts, of Hillsburg; Mr. and Mrs. Albert Stafford, of Pricetown.

The funeral was held on Monday afternoon from her late residence to the Methodist Church Cemetery. Service was conducted in the Presbyterian Church by Rev. Mr. Walker, assisted by Rev. Mr. Pope, which was largely attended.

The pall bearers were six first cousins, Arthur and Jos. Stafford, Geo. and Fred Stafford, Edwin and Albert Stafford.

The deep sympathy of the community is extended to Mr. Sargent and family in their sad bereavement.

One precious to our hearts has gone. The voice we loved is stillled. The place made vacant in our home can never more be filled.

Our Father in His wisdom called. The boon His love had given: And though in earth the body lies, The soul is safe in Heaven.

F. T. HILL & Co., Ltd. MARKDALE, ONTARIO

A Few Points About Novelty Curtain Material

Never before has there been assembled for Markdale shoppers such a well chosen and varied assortment of Curtain Materials from which Novelty Curtains can be made. Most prominent among these are a new showing of the Better Quality Marquisettes, Insertion and Lace Trimmed. These are rapidly replacing the old style lace-curtain. It would appear that they are here permanently. One of the strongest reasons for making this statement is: SO EASY TO LAUNDRY. After they are taken down, and the dust shaken out, they are simply washed in a basin of tepid soapy water (use a good soap) and passed through several immersions of clear water. The water each time is squeezed out with the hands. Then, when almost dry, they should be stretched square by means of pins on a large table or on a sheet on the floor. After ironing they are nice as new. Most moderately priced in a wide range of different qualities and styles, 35, 48, 49, 58, 65, 75, 85, 95c. and up to \$1.35
