**Indoor Life**

Spending more time indoors makes women far more subject to constipation than men.

The liver becomes sluggish and torpid, the bowels constipated and the system poisoned by impurities.

If you would get away from the myriads of ills which result from constipation, it is only necessary to use Dr. Chase's Kidney-Liver Pills.

The benefits from their use are as lasting as they are prompt and certain.

Mrs. John Barry, 18 St. Amable Street, Quebec, Que., writes:

"This is to certify that I was troubled for years with constipation and tried all kinds of medicines without relief. At last my husband suggested that I try Dr. Chase's Kidney-Liver Pills. I did so, and must say that they have given me more relief than all the medicine I have taken during the last fifteen years. I may also add that I have used Dr. Chase's Ointment for piles with excellent results."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, all dealers or Edmondson, Bates & Co., Ltd., Toronto.

**And a Savings Account Not Yet Opened**

What about the resolution made at the beginning of 1922 to start a savings account? Is it going to be the same story at the end of the year—nothing saved for the future?

Do not continue putting it off. A small amount will open an account.

The assurance, independence and satisfaction which the knowledge of something in reserve always begets will be incentive enough for building it up.

Zion's Annual Garden Party keeps growing. 'Twas bigger than ever this year and the best looking lot of young folk we've ever had gathered together. They were extremely well behaved as well. The baseball match between Glenelg Centre and Dornoch teams aroused keen interest and though the former won 13 to 0, still there were tense moments. Both teams had outside help; but the Centre team was greatly helped by some specially good players. The contest whetted the appetites of all for the good leg and the big supper, after which one of the finest programs ever given here was handled by the pastor, Rev. C. G. F. Cole, in a most tasteful, humorous way. Really, there wasn't a weak number in the list. Among those who recited were: Ada Pafford, Catherine Timmins, Lottie Polisher, Mr. Joe Davidson, but it takes Mrs. Ed. Beirnes, of Orange Valley, to "bring down the house." She possesses the rare qualities that can hold an audience spellbound or convulse, them with pure fun and humour. Very sweet was the violin playing by Mr. Stewart McArthur, accompanied by his sister, Merron; by Miss Ada Brown, of Rob Roy, and by Mr. Geo. Ritchie, his daughter, Ella, and Miss Carrie McNally. The songs by Mr. W. J. McFadden, his promising daughter, Gladys; Miss Belle Boyd, Armonel Glenross, and the cornet solo by Mr. Bryson Morlock were good numbers. The booth had a busy trade, being sold out in good time. Proceeds amounted to over \$100.

Mr. W. J. Greenwood and Misses Margaret and Clara visited Molesworth on Sunday. The latter is remaining for the week.

Mr. and Mrs. John Putterbough, of London, Mr. and Mrs. Donald Stewart and Mr. Samuel Putterbough, of Bentinck, visited the homes of Messrs. W. J. Cook and H. McArthur on Sunday and attended Zion's services.
