But one very cold night in the winter, he wakened out of his sleep to hear her saying outside in the

"Lest my son should find it cold, Place on him his father's coat. est the fair one find it cold,

Lest the fair one find it cold, Place on her my petticoat."

Mary sang the words to a quaint little air of her own making, while Davey listened, big-eyed and awe stricken.

"When the children grew up they had dark hair and bright, sparkling eyes like their mother," she would conclude, smiling at him. "And when they had children they were like them too, so. that people who came from the valley where the farmer's boy had melbourne, but here—"

Morrison and Mrs. Mackay think of who are or should be, wards of the ed Province.

(c) A Board of Sclection of five or seven members. The Child Welfare seven members. The Child Welfare seven members are public. There's high wages for stockmen and drovers. But maybe there'll be just Child Welfare, and serve without solding his hards. You could pick them up by the score in Melbourne, but here—"
