"Nearly Lost Baby With Croup"

Has Depended on Dr. Chase's Medicines for 25 Years

This letter from Mrs. Thompson gives you some idea of why so many thousands of people depend on Dr. Chase in the hour of sickness.

Dr. Chase's Syrup of Linseed and Turpentine has a permanent place in the great majority of Canadian homes because it is the most certain relief from Croup, Bronchitis, Whooping Cough and Asthma.

Mrs. Alex. Thompson, Whittia, Alta., writes:—"When my first baby was born, I think she would have died from croup before we could reach a doctor, if it had not been for a neighbor who had a bottle of Dr. Chase's Linseed and Turpentine in the house. This relieved her almost immediately. That was 21 years ago, and Dr. Chase's Medicines have been friends of ours ever since."

Asthma

Mr. Thomas Bond, Shelldrake, North Shore, Que., writes:—"I suffered for years with asthma, sometimes being unable to lie in bed, but after a treatment of Dr. Chase's Linseed and Turpentine, I am now quite well and thank this medicine for restoring me."

Dr. Chase's Syrup of Linseed and Turpentine

35c. a bottle. Family size, three times as much, 75c. All dealers or Edmanson, Bates & Co., Ltd., Toronto.
