Armstrong's class of Girls in Training gave a very dainty tea at her home from 4 to 6 on Saturday. The house was prettily decorated and the girls were pleasing in their service. The proceeds were over \$8.00.

Rock Mills Baptist Church had successful anniversary services on Sunday when able sermons were preached by Rev. L. F. Kipp, B.A., the newly appointed pastor of the Canadian Baptist, Toronto, and a former very highly esteemed pastor on this field. Mr. Kipp received a warm welcome from his old congregation which appreciated highly his visit and services. He made calls on a number of old friends here on Sunday afternoon and we were pleased to meet him again. In connection with the anniversary Rock Mills Church gave a good entertainment on Monday evening. A feature of the excellent program was a play, "Aunt Susan Jones".

Rev. Jas. Felslead, who resided here a number of years ago, received a call from the Presbyterian Church at Depot Harbor, where he has labored recently, and was inducted there last week. The Young People's meeting at the Methodist Church on Monday evening was made specially interesting with readings from Dickens' Tale of two Cities illustrated with fine lantern slides. Nurse Irene Wilson leaves on Wednesday for Morris Plains, New Jersey, to take the position of Supervisor in Greystone Hospital there. Her sister, Miss Evada, will accompany her to enter on training for nursing. At the Methodist Church on Sunday evening Miss Wilson favored the congregation with a sweetly rendered solo. Her sweet voice and helpful service will be greatly missed here, as will also her musical sister, Miss Evada.

By a copy of The Manor (Sask.) Advocate just received we learn that Mr. Archie Cairns, a former highly respected resident here, and his esteemed wife, formerly Miss Jessie Scott, of Durham County, recently celebrated the 20th anniversary of their wedding day when a number of their friends assembled at their home near Manor to convey congratulations and join in the pleasure of the event. A pleasing part of the proceedings was the presentation to Mr. and Mrs. Cairns of Life Membership Certificates in the Missionary Society of the Presbyterian Church of Canada accompanied by an appropriate address to which fitting reply was made by the recipients expressing appreciation of the unique gift and manifestation of esteem. A congratulatory letter from the Saskatchewan Board of Missions, Regina, was also read to Mr. and Mrs. Cairns, special reference being made to the distinction attained by Mr. Cairns in being the first gentleman in Saskatchewan to be honored with a Life Membership.

Mr. and Mrs. Welton, of the Munshaw House, gave a farewell dance on Monday in honor of the Misses Wilson, leaving this week for New Jersey. Hon. John Oliver, Premier of British Columbia, and his esteemed wife visited last week with his brother-in-law, Mr. W. J. Meads, here and other relatives in the old home neighborhood. The proceeds, \$29.00, of the concert recently given in No. 3 school, east of the village, and sent to the fire sufferers in the North, have been gratefully acknowledged to Mr. John Parker, secretary of the section. Rev. F. G. Fowler was at Dundalk on Friday night last preaching at special union services. Mr. Thos. Clayton's friends are pleased to see him once again, though not yet able to undertake work. Mrs. Lewis has been at Weston for a few days with her sister, Miss Effie Smith, who is ill and very low in the Sanatorium, there.

Miss Kathleen McKinley, of Toronto, is visiting Mrs. Mack Wilson and daughters. Mrs. Wilbert Poole, and little son, of Maxwell, were week-end visitors with her parents, Mr. and Mrs. H. Down, and joined by Mr. Poole on Sunday. Mrs. Frank VanDusen, of Toronto, visited over Sunday with Mrs. A. S. VanDusen. Reeves D. McTavish and T. R. McKenzie and Deputy Rege J. A. Hogarth are attending County Council this week.

By a letter received we write this week we learn that Mr. R. H. Goldhawk, a former banker here, is now located at St. Catharines and we are pleased to learn he and his family are well. The friends here of Mr. Robert Buchanan, who died in St. Vincent last week in his 75th year, were sorry to learn of his passing and sympathize with his family and relatives in their loss. Mr. Buchanan was a former very highly respected old resident of Artemesia and was well known here. Mrs. Ellis, of Kimberley, visited Mrs. Fred Stuart a few days last week. Mrs. W. J. Henderson here, who has been ill for some time with a stroke, continues in a weak condition and without improvement. Her friends sympathize with her in her affliction. Mrs. G. A. McTavish and little son are visiting relatives at Owen Sound this week. Mr. Frank Thurston and bride have returned from their wedding trip.

Union Hill

Mr. George J. McFadden visited his friends Mr. and Mrs. L. Gardner, of Epping. Misses R. McCann and G. Bennett spent over the week-end with their friends in Owen Sound. Mr. Bruce Burnett and lady friend, of Cherry Grove, were the guests of Mr. and Mrs. James McFadden. Mr. and Mrs. W. J. Moore, of Flesherton, were the guests of Mr. and Mrs. James Semple. Quite a number are sick with bad colds and the flu. Miss Mildred Moore, of Flesherton, spent the past week with friends in our burg. We extend our deepest sympathy to Mr. and Mrs. John McNally in the loss of their daughter (Alice Marie), a bright and loving child four years old, who passed away on Sunday morning, January 21st. She was only one week-sick with the epidemic that is going. In spite of medical aid and all that loving hands could do to ease her suffering, death claimed her. That little voice we loved to hear. That little laugh seems still. That little hand we clasped so dear. Now lies in death's cold chill.

Priceville

The January thaw we had last week did not continue long enough to wet the snow to the ground. Some wells are still short of a proper supply of water. Bad colds have been the general ailment about here, but the majority of people are getting back to normal health again. Mr. George Rutherford, of Sheburne, Insurance agent, was around here last week on business. The annual meeting of the Priceville Agricultural Society was held on Saturday of last week. The attendance was not as large as it should have been but the members present did considerable business. The financial report as read by the auditors seemed to please the meeting, and the directors were recommended to revise the prize list and as there is a good substantial balance in the treasury, they intend to increase the cash prizes in classes of live stock exhibitors at the Fall Fair next October, 4 and 5, 1923. Two Field Crop Competitions are on the program for this season. The regular Field Crop Competitions and also the Combined Field Crop and Thrashed Grain Competition, which offers \$275.00 in seven prizes for the two ranging from \$75 to \$110. The total prizes for the two competitions will be \$350.00. Mail a card at once to Secretary Fall Fair, Priceville, asking for full particulars where to get pure seed and all other information. He has a limited supply of instructions on hand and will get more if necessary in a few days so go to it and make money.

The farmer and the banker

THOUSANDS of farmers throughout Canada have proved for themselves the value of a connection with The Bank of Toronto. The opening of a small deposit account has, in hundreds of cases, been the means of establishing friendship and confidence, and the loans obtained from the Bank from time to time for farm operations have been of great assistance in helping many a farmer towards success. Farmers' business is as important to the Bank of Toronto as any other business. We welcome the Farmer at any of our Branches.
