When the Paper Doesn't Come
My father says the paper. He reads ain't put up right. He finds a lot of fault, he does, 'Perish' it all night. He says there ain't a single thing 'in it worth while to read, And that it doesn't print the kind 'Of stuff that people need. He tosses it aside and says 'It's strictly on the bum— But you ought to hear him holler 'When the paper doesn't come.
