ADMISSION: 35 and 25 cents

Hockey

D. H. S.—M. H. S. I.
A hockey match between the Markdale and Durham High School teams was staged in the Durham rink on Thursday night, last. Our boys got away to a good start in the first period when they scored one goal. Durham was checked to a standstill. Both teams entered the second period determined to win. After about five minutes of play, Russell Walker was cut badly in the face and was forced to retire. On his retirement Durham started to score. They had the best of the game from there on. Markdale was further handicapped by a lack of substitutes.

The game was quite rough, both teams getting many penalties. Our boys thought that Durham was a favorite with the Referee and that they didn't get a fair show. They promise that the score will be reversed when Durham visits Markdale on Wednesday, February 14th. Come out and see the return game. We need your presence and your cheering.

D. H. S.—M. H. S. II.
The M. H. S. Girls played the Durham H. S. Girls the same evening as the boys. The girls from here had not had very many practices, but when they came on the ice they handed the Durham bunch a shock by checking them to a standstill. The Durham girls never had a show. The goal keeping of Miss Wright kept many a shot from entering the nets. The first two periods ended scoreless, and it was anybody's game up to the last minute. The goal that won the game for Durham was pitched in the last period when one of the girls pushed the rubber in a rebound. For the rest of the time the teams were evenly matched. With a little more practice the Markdale girls will show the Durham folks how to play hockey here on Wednesday, February 14th, when Durham will play the return game.

Line-up: goal J. Wright; defence M. Noble and H. Sullivan; centre, B. Colgan; wings, M. Dundas and A. Sullivan; sub., E. Lee.

O. S. C. I.—M. H. S. I.
On Tuesday evening the High School boys played Owen Sound in the Riverside Arena. Owen Sound. The teams were quite evenly matched and started away at a fast pace. Markdale notched the first goal on a hard shot by Steve Littlejohns. O. S. C. I. soon retaliated by notching one, tying the score. After a few more minutes play Markdale scored again. The period ended with Markdale in the lead, 2-1.

Evidently the Owen Sound boys were afraid that the game was passing to our boys for they got down to hard work, and during the period notched four goals to our one. They had the advantage of the play in that period.

In the third frame, the Collegiate notched one goal when the boys scored one when the Collegiate man invaded the goal keeper's territory and another when an Owen Sound player knocked Kelly down, while he held the puck between his pads. Kelly's shoulder was hurt and he was forced to take a five-minute rest.

On the evening's play Markdale had the advantage. The home boys had 100 per cent. of the play in the first period and 70 per cent. in the last. Owen Sound was top in the second period.

Our boys have nothing but praise for the sportsmanship of the Owen Sound boys. They were clean players and there wasn't a discord all night. We hope to have O. S. C. I. here within the next two weeks.

DUNDALK I—MARKDALE 3.
Markdale Girls' "Snappy Six" hockey team so far undefeated this season, added another victory on Monday evening when they defeated Dundalk by a score of 3 to 1.

The last period started off with a rush. Marjory Russell drew a penalty for putting Muriel Walker into the boards. Muriel Walker scored the initial goal for Markdale which ended the first period. The second period gave one more to the locals, this time by the courtesy of Mattie Wright, who either through kindness or excitement did the trick. It was a neat little play indeed, but in future the girls would much rather put their own into the nets. Marjory Wright succeeded in scoring one for Dundalk in this period.

The last period was fast and too rough in spots, but by neat combination and the good work of the goalie who was repeatedly called upon to save the situation Markdale scored another, this time by Jean Walker, while Dundalk was left scoreless.

Eliza Wilson and Norma Clarridge, centre; Marjory Wright; substitutes, Norma Johnston and Marion Pullerton.
Markdale: goal, Edith Armstrong; defence, Doris Boyd and Dorcas Pavis; wings, Jean and Muriel Walker; centre, Anna Jackson; sub., Lucille Stephenson.

An Appreciation

The Editor of this great family journal had the pleasure of several hours in the company of Mr. Robert Bowers, of Neville, Sask., while he was here recently, after an absence of thirteen years. We knew Mr. Bowers some years ago as the leader of Markdale Citizens' Band, in which capacity he served previously to Mr. W. S. Perkins' coming here. Markdale Band, in those days, never made an appearance without "Bob" Bowers and that organization was piloted over many difficulties by his guiding hand. He was always a man among men, clean of habits and character, and the village was made better because that for several years he was a resident here. His good wife, we are told, is just as good a fellow as he is, and that their home was and is the happiest possible. A family of twelve children were raised all good and respectable citizens, and nearly all now residing in the West. There was the only disturbance about their home, and when the family got going there sure was plenty of harmony and enjoyment. They have all prospered in the West and we are glad indeed to know that Bob can now take things easy when he feels like it. When he decides to retire from active operations, we hope he will come to Markdale to spend a good many happy years with his old friends before being called to answer the final bugle call.

This and That

(By The Janitor)
The world owes its all a living, but it's a job for some people to collect.

It's nice to be neighborly, particularly when you want something from the other fellow.

Some men do more sweating in the curling rink in five minutes than they do at home in a life-time.

Keeping up with the Joneses has kept a good many people from keeping up with their Bankers.

Heavy frost at this time of the year may not do much harm, but it takes a lot of it to be noticeably beneficial.

It doesn't cost much to smile, but you would imagine it did by the way some people keep their faces screwed up.

One thing we noticed: There are more good brooms in Markdale curling rink than there are in Markdale homes.

Some people have a polished manner, which reminds one of the polish on an old pair of shoes—it's all on the outside.

Taking a fair share of the community's responsibilities is one of the things a good many cannot be justly accused of.

When a fellow don't know that he don't know, he's in pretty bad company, and so are those who have to associate with him.

The fellow who can invent a sweeping machine to use in connection with the curling game will have solved another labor problem.

There is a preacher in Kansas who should have his salary raised for making the following announcement from his pulpit: "Brethren, the janitor and I will hold our regular prayer meeting next Wednesday night, as usual."

What Price Will You Pay For Your Car?
EVERYBODY at Ford is keen to keep down the price of Ford Cars. The \$445-price is based on the expectation of a Spring business of 8000 cars per month. If that business comes, the price can be maintained. It rests now with the public to say whether Ford prices will be higher or not.
If you want a Ford in the Spring you can order it today for delivery later—and pay the lowest price in Ford history. \$445.
