"I Can Now Do My Work Without Feeling Tired".

Mrs. A. Moffatt, Roxton Falls, Que., writes:

"I suffered from a run-down system and nervous debility. I could not sleep or rest at night and felt so weak I could not walk any distance. I took several tonics, but they only helped me while I was taking them. Mother advised me to take Dr. Chase's Nerve Food, and I tell great benefit from the first box, and continued taking several boxes. Today I feel like a new woman, and am able to do my work without that dreadful tired feeling."

Peerless Concert Company

The Peerless Concert Company gave very successful concert in the Presbyterian Church on Thursday, March 8th. Owing to there being a good deal of illness in the community, there was not as large an attendance as there might otherwise have been, but those who were there certainly enjoyed a musical treat.

The program was given in two parts. In the first the company were dressed in the old plantation style and the melodies of that day were rendered with all the emotional plaintiveness of the old slavery lays. In the second part the company, in modern evening dress gave an excellent program of modern music and did it most acceptably. The soprano, Madam Price, though suffering from the result of a cold, had a strong sweet voice and took her high notes remarkably well. Miss Thompson, both in her reading and singing, charmed her audience with her, and the pianist, Miss Briscoe, in her solo numbers, as well as in her accompaniments, left nothing to be desired.

Mr. Lester and the Morris brothers have wonderful voices, blending most harmoniously in the many choruses and quartettes which were so generously given. Mr. Anderson, the bass-singer, has a wonderful range, and a most remarkable mellowness of tone, even in his very lowest notes.
