

## Voters' Lists, 1922

Township of Holland, 1922—Part III  
NOTICE is hereby given that I have complied with Section 10, of the Voters' List Act, and I have posted up in my office on the 14th day of March, 1928, the list of voters of said Township, according to Part III of said Act to vote in the said municipality for members of the Legislative Assembly, and that such list remains here for inspection.

AND I hereby call upon all voters to take immediate proceedings to have any errors or omissions corrected according to law.

Dated this 17th day of March, 1928.

JAMES P. HARE,  
Chairman of the Township of Holland,  
Holland Centre, Ontario.

HOW Flower and Seed sales are increased by Long Distance

Some stations from recent reports:

"19 call, costing \$18 sold 15,000 flower. Nearly all our sales are made by Long Distance."

"90% of our orders from dealers are by Long Distance."

"We call dealers once a week during busy season."

"Do all our buying by Long Distance in the evening."

"Long Distance is essential in buying seeds from growers."

"Sold over 1,100 bags of seed by telephone."

"May we tell you how Long Distance is being used to increase sales in your business?"

## Some Changes

Mr. Percy Sims, the dray man, has been having the former Thos. Campbell house wired, papered and otherwise improved and is moving thereto, while Mr. J. A. Clark, the new real estate man from Caledon, moves into the rooms above H. Knott's implement ware-rooms, vacated by Sims. Then Rev. Dr. Reburn, who recently purchased "Eiffeld Villa," the former W. J. McFarland home, has had hardwood floors put in; the house repapered, painted and otherwise improved, and is now cosy domiciled therein, while Mr. H. H. Lucas, manager of the Bank of Montreal, has purchased Mr. Reburn's snug residence on George Street and moved thereto.

Open shed, 26x22 feet, containing in combination hay loft, poultry house and poultry yard, with self feeders. A sheep pen with feed rack.

Residence, 30x30, solid concrete finished in rustic stone work. Warm in winter, cool in summer. Walls are one-foot thick, built on solid natural polished rock perfectly level; basement, 6½ feet high, has built-in refrigerator and ice house combined, 33-bbl. cistern with stop cock in bottom for draining cistern and flushing toilet.

Hydro line is to be erected forthwith from Eugenia to Meaford.

Mr. and Mrs. G. Fred Clarke, of Hopeville, were in town last week.

Shelburne Council gives the Public Library a grant of \$650.00 for 1928.
