Relatives here received word a few days ago of the death of Rev. John Osborn, who passed away at his late home at Walmout, Michigan, on March 10th, aged 77 years. The deceased, who was a son of the late Mr. Thos. Osborn, a pioneer here, grew to manhood on his father's farm two and a half miles from this village, and was an industrious and very highly respected man. He married Miss Frances Cowling, of whom he was bereft fifteen years ago. After his marriage he continued to farm on the East Backline until his removal to Stayner from where he moved to Michigan about thirty years ago. In Michigan, he entered the ministry of the Methodist Episcopal Church and labored successfully for a number of years. He lost one son several years ago, but is survived by three sons and two daughters, all married; also one sister, Mrs. Robert Waller, of this village, whom he last visited about four years ago. Mrs. Waller, who is the only surviving member of her family, is at present very ill, and has the sympathy of numerous friends in her affliction and bereavement.

At an administrators' sale of the effects of the late R. J. Sproule held on Friday last, and conducted by Auctioneer Kaitting, everything was sold. A few days before, a good building lot in the estate, adjoining the Down garage property, was purchased by H. Down & Sons, who will erect a residence thereon.

Mr. W. Barnlett and Mr. Robert Richardson, neighbors within a mile of the village, have material on the ground for the erection of new residences.

Mr. Marshall Kerton has moved from Mrs. Stewart's residence to Mrs. McLeod's house near the Presbyterian Church.

The remains of Mrs. Middleaugh, who died at Mount Forest, were brought here last week for interment in the family plot.

We overlooked, in our apt book last week, an enjoyable party given by Miss Vina Thistlethwaite to about twenty of her girl and boy friends.

An interesting innovation in the exercises of the Presbyterian Sunday School on Sabbath last was a presentation from the school to Mr. Frank Chard of a Dictionary of the Bible, a neatly bound volume of 840 pages, accompanied by an appropriate address, read by Mr. Jos. E. McKee, Superintendent, successor to Mr. Chard, who had given sixteen years of faithful service. Mr. Chard, who is still in the work as Adult Bible Class teacher, feelingly thanked the school for the unexpected, but appreciated gift. At the church service Mrs. (Rev.) Fowler gave a beautifully rendered solo, fitting to Palm Sunday.

Rev. J. H. Oke, who has been in poor health recently, was unable to take his work in the Methodist Church on Sunday. On short notice, Mr. Thos. Hepburn conducted service in the morning and the evening service was withdrawn. The Sunday School service was made special by interesting with lantern slides and an address by Mr. Miller.

Mr. Harmon Radley, who spent part of the winter with his family in Toronto, has returned to his farm near the village for the summer.

Mr. Cecil Anpin, of Peterborough, formerly teller in the Standard Bank here, was a visitor over the week-end at Mr. Geo. Mitchell's.

Miss Hulse, of Orangeville, formerly of Flesherton High School staff, is the guest of Mrs. G. Mitchell and daughters.

Mr. W. V. Trimble spent the week-end with his daughter, Mrs. Hodgson, at Islington.

Mrs. I. H. Curtis, of Wayne Mich., arrived on Monday to visit her sister, Mrs. W. Trimble, who is ill.

Mr. John Runstadler, of Toronto, spent part of last week here and will return soon to conduct his produce business again, assisted by Mr. M. McDonald.

Miss Teja Henderson visited over Sunday with friends in Dundalk.

Mrs. N. J. Wyle and babe, of Owen Sound, are visiting her parents, Mr. and Mrs. Fred Mathewson.

Will Carrington, night operator in the central phone office the past two years, has resigned and Ed McDonald has taken his place.

Mrs. Jas. Wilson visited the past week with Mrs. M. Wilson at Durham. The latter's friends here hope she may soon have improved health.

Death has removed another highly respected old resident here, in the person of Mr. John Breen, who, after a short illness, passed away on Sunday, March 26th, only three weeks after the death of his wife. The esteemed couple were given sixty-six years of happy married life and "in their death they were not long divided." Mr. Breen, who was 88 years of age, was born at "Euniskillen, County Fermanagh, Ireland. At 21 years of age he came to Canada and settled in Artemesia, where a year later he married Miss Elizabeth Little. For a few years they lived near Eugeneia and later on the Toronto Line, from where they retired to their comfortable home here. Mr. Breen was wonderfully smart for his age. He was a man of upright life and possessed a cheery disposition, which won him warm friends. He was a life-long Methodist, loyal and faithful to his Church. One son, Wesley, of Welland, and three daughters, Mrs. John Wright, Flesherton;

Mrs. H. V. Gaudin, Toronto; and Mrs. Oscar England, of Oshawa, survive him. The funeral takes place to the Flesherton cemetery this Tuesday afternoon.

Mrs. Samuel Irwin's friends are pleased to see her out again, after a severe attack of flu.

Mrs. Catherine Paton's, friends sympathize with her in illness by which she has been confined to her home for a few weeks.

Mrs. George Cairns visited her sister at Markdale the end of last week.

Mrs. Robt. Ruthven, who was on an extended visit with her brother, Mr. F. Cairns, and family, has returned to her home at Clarksburg.

Mr. Isaac Sinclair, who fell and fractured his arm and was very ill last week, is slightly improved.

Cooke's Church W. M. S.

The March Meeting of the Women's Missionary Society was held at the home of Mrs. R. D. Stephen. The meeting opened with the singing of hymns. As with gladness, men of old. The Bible lesson was taken from Paul's Missionary journey into Macedonia, found in Acts, 20th chapter.

Mrs. Morrison and Mrs. Elliott led in prayer. After the reading of the Minutes and the transacting of some other items of business, Mrs. Gay led in the study of the afternoon. Her paper was on "Early Pioneer Missionaries in Canada," and she showed the church to be the great factor in nation building. She gave a brief survey of the early Missionary commissions, beginning with the Jesuit Fathers, who came out with the pioneers of the new colony, and the impression left upon her hearers was that of the wonderful endurance, perseverance and willingness to suffer privation of those brave men and women, who sowed the seed of righteousness in Canada.

At the close of the meeting, Mrs. Stephen, assisted by Dorothy, served a very dainty lunch. The offering for the bene fund was \$2.65.

Several farmers are making their crops the fall end of March. The crops would not get up so early as they have done in the past few years. It is now too late to sow wheat in the fall. The crops are now in the ground and will be ready for the plow in a few days. The crops are now in the ground and will be ready for the plow in a few days.
