C. E. WALDEN MANAGER

Traverston

(Intended for last week.)
Several farmers are musing this week over the fall end of March, and the year's wood not cut, yet.
Mr. George Street is an extra busy man these days as grists are pouring in from all directions.
Mr. Wes. Williams from Bruce, Alta., called on the McArthur Bros. and the Davis family last week.
The cutter tracks look so crooked on the new fallen snow on Monday mornings. What say you, Mortley? Better? Bowles? etc.
Hay McClocklin is engaged with Township Treasurer Ritchie for a couple of months.
Mr. George Torry has purchased the late John McKechnie farm, across the road from his own, and purposes moving across right away as the new home has more cosy fittings. This reported that the purchase price was over \$5000.
Mr. George Black, son of Mr. J. S. Black, has purchased the Martin farm from Messrs. Joe and Charlie Connor. They bought it just before Christmas from Mr. Hy Moffat; but have moved back and will build a new home on

their old farm.
After spending a pleasant fortnight with kindred and friends in Toronto and Bradford, Mrs. J. J. Peard and Master Willie arrived home on Tuesday last.
Mr. George Gray returned home from Kent County on Saturday evening, having been down there for a month making square timber, a considerable quantity of it being red and white oak.
Word has reached us that Mr. Wm. Moran, of Townsend Lake vicinity, has been very seriously ill with some disease that puzzled the local doctors.
Dr. Middlebro, of Owen Sound, was also brought in, but was somewhat baffled as well. Will and his bright partner have many warm friends, who will be relieved to hear of a speedy recovery.
Best Easter joys to all Standard readers and staff.

Card of Thanks

I wish to sincerely thank the patients of R. R. No. 4, Markdale, for their courteous treatment during my term as carrier of the route.
Alex. McEchnie.

Mrs. Jeffrey Artley

There passed away at her home here on Tuesday, April 3rd, 1923, Mrs. Jeffrey Artley, aged 83 years, 2 months and 19 days. She had been in a critical condition for several days suffering from pneumonia, and despite the very best attention was unable to overcome the disease.
The late Mrs. Artley, whose maiden name was Margaret Levina Clarke, was a devoted member of the Methodist Church and the funeral service will be held in the church this Thursday afternoon at two o'clock, after which interment will be made in Markdale cemetery. A private service will be held at the home at 1:30 o'clock.
The deceased is survived by her husband, who is also seriously ill, and one daughter, Miss Ethel, who, along with the other relatives, have the sympathy of the community in their affliction.

With the Curlers

The total curlers wound up the season on Tuesday evening in a happy manner. The Vice-President's rink in the last competition were the hosts at an oyster and chicken dinner, served in the Chinese Cafe and at two parties. They divided into two parties, one going to each place. After enjoying the good things provided, and they certainly were good, adjournment was made to the comfortable club room at the rink, where a couple of hours were spent pleasantly together. Bag pipe selections, community singing, games and special chat, and a special Scotch dance made up the program. It was a little close to a successful season's sport.
To the officers of the Club much credit is due for the success of the Club to date. The rink is one of the best to be found in places of Markdale size and the sitting room is kept comfortable and tidy.

Nerves So Bad That She Would Sit and Cry.

Mrs. Mary Hoeking, Madoc, Ont., writes:—
"Dr. Chase's Nerve Food has done me a wonderful lot of good. I suffered from general weakness and was so run down and my heart and nerves were in such bad shape that I would sit down and cry and not know what I was crying about. I also used to have weak spells. Thanks to Dr. Chase's Nerve Food, however, I am real well now. I shall always keep a box of the Nerve Food in the house, and recommend them to my friends; they are a wonderful medicine."
(Mr. J. W. Vinco, Druggist, of Madoc, Ont., says: "I have sold Mrs. Hoeking your Nerve Food, and the medicine has done her much good.")
