Severe Kidney Trouble

Mrs. F. Rinehart, Campbellville, Ont., writes:

"I had trouble with my kidneys and very frequent urination. This was followed by pains which at times were very severe. The doctor said I had inflammation of the bladder and that an operation might be necessary. To this I refused, and began using Dr. Chase's Kidney-Liver Pills. From the first few doses I felt the benefit. The pains left, urination was corrected, and I have had no recurrence of these ailments."

Married—On Thursday, April 26th, 1923, at Meaford, Vera, only daughter of Mr. and Mrs. Goodfellow, of Duncan, to Russell Ellis, son of Mr. and Mrs. Wm. Ellis, of this place.

We extend our heartiest congratulations to the happy grooms and their brides, of last week.

The Pioneer Social on Thursday evening was well attended and a pleasant time spent. Some of the interesting things told us were: Mrs. Magee was the first white woman to come into the Valley, and Mr. Jas. Magee, of Markdale, was the first white child born here; also that the wages for a man working in the mill was 50c. a day of twelve hours. Pork sold for $22.5 per cwt. dressed, and eggs couldn't be given away. The wolves were a thick as crows now. A trout could be caught on a bent pin and a piece of cord. Now it takes expensive fishing tackle, and even then one isn't sure of a catch.

Mr. and Mrs. W. J. Stuart, of Caledon, and Mr. Fred Stuart, of Toronto, have been attending the bedside of Mr. Jas. Stuart, who is seriously ill.

Great musical talent has been discovered among the local young people. Expensive musical instruments, such as mould boards, circular saws and old tin pans are being used. As yet the practise nothing but serenades.
