Spent Hundreds of Dollars

Mrs. Rice Found Relief At Last In Dreco—Earnestly Wishes All Sufferers Would Give This Wonderful Remedy A Trial

Mrs. J. Rice, of 91 Napier Street, Hamilton, suffered so severely from indigestion, gastritis, pains in the back and dizzy spells that for years she hardly knew what it was to enjoy a well day. Medicine after medicine she tried, spending hundreds of dollars, without the slightest improvement in her condition until finally she heard of Dreco and tried it. A Letter tell you what two bottles of this splendid herb and root corrective accomplished.

"For years I have suffered from stomach, liver and kidney trouble. I had chronic indigestion and gas would always form in my stomach after meals. Would also get severe pains across my back and, at times, get terribly dizzy and spots flicted before my eyes. My bowels were never regular. I was intensely nervous, could not sleep and my appetite was very poor. I spent hundreds of dollars trying different medicines, but my sufferings continued unchecked until I started taking Dreco. It was just what I needed, for it seemed to go to the very root of my ailments, right from the very start. I am a new woman now and very thankful that I can recommend Dreco to all who suffer as I did."

Wonderful as her recovery seems to Mrs. Rice, it is but typical of the effects of Dreco on internal disorders such as hers. Dreco, compounded of Nature's own roots, herbs and leaves, tones and regulates the system in a natural way. It quickly disperses noxious gases, restores the appetite and brings soothing, restful sleep by making stomach, kidneys, liver and bowels function normally, as Nature intended. No matter how long standing or obstinate your case is, Dreco will help you.

(Dreco is being specially introduced in Markdale by Johnson Lucas, and is sold by good druggists everywhere.)
