EFFICIENT FARMING

SOME PESTS THAT PESTER YOUR GARDEN: Cutworms head the list. The bug booker list more than twenty kinds of cutworms...

HOW TO CONTROL CUTWORMS: If you have only a few plants, put paper collars around them, an inch or so from the plants. Push the paper down an inch into the soil...

CONTROL OF PLANT-LICE: Plant-lice can not be poisoned, for they suck their food from beneath the surface of the plant tissue. The way to make them jump their backs is to spray them with kerosene emulsion...

FRUITING POTATO LAND: A friable loam soil is best suited for the potato. It should be fairly fertile and have good natural drainage.

Fertilizers for Flowering Plants, Vegetables, Small Fruits and Lawns: Nitrate of soda, 1/2 pound; Superphosphate, 1 pound; Ground bone, 1 pound...

VEGETABLES, SMALL FRUITS AND GARDEN CROPS: Two formulae may be given, both generally useful, but the response to No. 2 is usually quicker by reason of the larger soluble phosphoric acid content...

A Farmer's Ambition: It should be the ambition of every farmer to be able to leave his farm in a better condition when he is called to his final reward...

The Sunday School Lesson

Isaiah, the Statesman-Prophet, 2 Kings 18: 13 to 20; 19: 1-9; 37: 36-38. Golden Text—Here am I; send me.—Isa. 6: 8.

LESSON FOREWORD—Isaiah was the first great prophet of the southern kingdom. Before him Amos and Hosea had preached to the north...

Isaiah's vision came while he was worshipping in the temple. He fell into a prophetic ecstasy, during which the earthly temple faded away...

How I Make Money Selling Early Tomatoes: Last summer I received around five cents a pound, wholesale, for my early tomatoes...

The Jointer Plow: The Jointer plow was developed through the appreciation of plow makers of the necessity of mixing vegetable matter with the soil during the plowing operation...

1 THINK THEY'RE HARD-BOILED EGGS: A farmer's ambition of every farmer to be able to leave his farm in a better condition when he is called to his final reward...

50c BOX BROUGHT HEALTH: Care of Constipation Ended by "Fruit-A-Lives"

The Wonderful Fruit Medicine: Any one who suffers with miserable health who is tormented with head-aches and who is unable to get any real pleasure out of life will be interested in this letter of Mrs. Martha E. Wolfe of East Ship...

POTATOES BOON TO MANKIND: The potato will now take its own place in the world of things most necessary to the human race...

THE POTATO: The potato will now take its own place in the world of things most necessary to the human race...

THE POTATO: The potato will now take its own place in the world of things most necessary to the human race...

THE POTATO: The potato will now take its own place in the world of things most necessary to the human race...

THE POTATO: The potato will now take its own place in the world of things most necessary to the human race...

THE POTATO: The potato will now take its own place in the world of things most necessary to the human race...

THE POTATO: The potato will now take its own place in the world of things most necessary to the human race...
