Could Hardly Do Her Housework

Mrs. K. Manvell, of 592 Nelson St., London, Ont., is put on the high-road to recovery by Dreo.

A story that every woman should read is told by Mrs. Manvell. It reveals in striking words the sufferings that are caused by ailing digestive organs. The remarkable help she found in Dreo will therefore be of intense practical interest.

"I was in such pain I could hardly do my housework," says Mrs. Manvell. "Dizzy spells would attack me, and it seemed as though I was faint-fun, and spots floated in front of my eyes. Pains through my stomach and rigging of gas tasted like bitter poison. I couldn't keep my food down, and my appetite was very poor. I have treated myself for constipation for the past four years, but it seemed that no medicine gave me any help. I often had severe bloating spells from gas. Pains through my back, and also through my hips. It was a misery for me to go out visiting, as I never knew when these gas-tric spells would attack me. Often I had to go home immediately. But since taking four bottles of Dreo I can now go to school, to my friends without the fear of these dreadful pains.

"My system is now entirely cured, and I am as strong and healthy as ever. I no longer have any of those gas-tric spells, or the bloating and flatulence, or the pains through my back and hips, or the dizziness, or the spots before my eyes. My bowels are acting regularly, and my appetite is greatly improved. I find Dreo a most valuable and safe medicine for all ailments of the digestive tract, and I can heartily recommend it to all who suffer from these troubles. Dreo will give you as much relief as any medicine, and it is perfectly safe and reliable for all ages. It is a most valuable and safe medicine for all ailments of the digestive tract, and I can heartily recommend it to all who suffer from these troubles.

Cooke's Church W. M. S.

On Thursday evening, June 7th, the W. M. S. and the Young Women's Auxiliary, of Cooke's Church, Markdale, met at the home of Mrs. Marshall Beard. The devotional exercises were opened by the singing of "Jesus, Master, whom I serve." Prayers were offered by Mrs. R. Smith and Mrs. T. Tuck for the General Assembly, then in session. The Scripture Lesson was taken from Malachi 3rd. After the Minutes were read and confirmed, the Treasurer reported having received \$11.25 Missionary Offerings during the month of May.

Mrs. Campbell, Library Secretary, sent seven books to help a library in a N. Ontario field. Mrs. Den. White extended an invitation to the Aux. to hold the July meeting at her home, which was accepted with pleasure.

The program was then given and consisted of a report of the Presbyterian by Mrs. Morrison and Mrs. Gray, and a paper from our Text Book by Mrs. Campbell on Immigrants from S. E. Europe, their history, religion and social outlook, and the progress of their Canadianization. A few items from the Presbyterian reports worth noting are that the W. M. S. Budget for this year had increased 10%; that work was being stressed amongst the young people, that our present membership is \$2800, and we want to make it 6000; by another year, that every woman and young woman in the Church should be linked up with some form of mission work and that every member of our Auxiliary should read at least one missionary book in a year.

The keynote of Mr. Armstrong's address was the financial crisis through which the mission work of our Church is passing and how it affects the work at home and abroad, threatening to lose for the church the work that it has taken years to build up. Systematic and regular giving by the whole church is the only remedy for these conditions.

Mrs. Brown, accompanied by Miss Darnott, sang a solo, "Have Thine own way, Lord," and a very profitable and pleasant meeting closed with the singing of the hymn, "Go labor on," and prayer by Mrs. Ritchie.

At the close of the meeting Mrs. Beard and Miss Thelma served refreshments.

Two political meetings were held in Markdale since last issue. Col. Carmichael and Geo. M. Leson held a joint meeting on Wednesday evening, last, at which there was a good attendance. Mr. R. D. Carnithers was chairman, and Mr. Harry Shaw, delivered an address as well as both candidates. On Saturday evening, Messrs. W. D. Henry, of this place, and Mr. A. S. Thurston, editor of the Meaford Mirror, spoke in the interests of Dr. Ego. Mr. Joseph Halbert acted as chairman.

Several from the village and vicinity were at the home of Mr. and Mrs. R. T. Edwards, Traverton, Friday evening, last, as members of a happy gathering at a house-warming party. Mr. and Mrs. Edwards, and family a few months ago moved into their fine spacious new home, and the celebration of the event was postponed from time to time because of the backward spring weather. There was a large gathering for friends and neighbors from far and near, who thoroughly enjoyed the hospitality and entertainment by the Edwards family. There was dancing, a program and an abundance of excellent eats. The crowd was thoroughly pleased with the affair and all joined in wishing the family long life and happiness in their beautiful new home, which is one of the finest farm residences in the Township.
