

Dissolve in boiling water

Use enough to get a big lasting suds

Big lasting suds—one secret of Rinso's amazing power to dissolve dirt. If you don't get lasting suds, you have not used enough Rinso.

After soaking, only the most soiled clothes need a light rubbing with dry Rinso.

Your clothes don't need boiling if you use Rinso. But if you like to boil your white cottons, use enough Rinso solution to get the suds you like.

Rinso is made by the largest soap makers in the world to do the family wash as easily and safely as LUX does fine things.

HEALTH EDUCATION

BY DR. J. J. MIDDLETON
Provincial Board of Health, Ontario

Dr. Middleton will be glad to answer questions on Public Health matters through this column. Address him at Spadina House, Spadina Crescent, Toronto.

At a recent meeting of the Ontario Health Association, Dr. J. J. Middleton presented some statistics showing that the increase in cancer deaths in Ontario is due to the fact that the present registration system was also the best means of detecting it. On one point, however, these figures are not so clear-cut as they seem to be. It is a common error to assume that the increase in cancer deaths is due to the fact that the present registration system was also the best means of detecting it. With The Boy Scouts

A story about "Scoutmaster" Byng. It is a thrilling story of a man who is smiling when we are all dressed up and on parade, with our pale and relations looking on, whilst the big person who has come specially to inspect us marches up and down our ranks and faces us with his eagle eye.

LOW SPIRITED AND DEPRESSED

A Condition Due to Poor Blood and Weak Nerves.

Nearly all women and most men suffer at times from this depression and nervousness. They are unable to attend to their duties satisfactorily and are unable to get any pleasure out of life. People who suffer in this way soon lose their energy and their vitality. They lack stability because their blood is poor and their nerves are weak. The only way to obtain health is by building up the blood with Dr. Williams' Pink Pills. The new rich blood made by these pills will carry improved health and energy to every part of the body. Your appetite will improve, your spirits brighten and you will be endowed with fresh energy and find a new joy in living.

Broad Highway.

Instead of a narrow path to me, I found the broad highway to see. The golden earth, the level sky, the best that in all hearts dwell.

HEALTHY CHILDREN ALWAYS SLEEP WELL

The healthy child sleeps well and during its waking hours is never cross but always lappy and laughing. It is only the sickly child that is cross and nervous. Mothers, if your children do not sleep well, if they are cross and cry a great deal, give them Baby's Own Tablets and they will soon be well and happy again. The Tablets are a mild but thorough laxative which regulate the bowels, sweeten the stomach, banish constipation, colic and indigestion and promote healthful sleep. They are absolutely guaranteed free from opiates and may be given to the newborn babe, with perfect safety. They are sold by medicine dealers, or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Night Camp:

A horse to ride and a dog to love, And a fire to warm me by the stove, End of the trail and high above The sweep of the starlit sky— And where is there more for a man's desire Than a horse and a dog and a pine-wood fire?

The horse will bear me far and swift, And the dog will guard my rest When I lie me down on a dead leaf bed.

Come to the brown earth's breast, But ah! the ache of a cold desire. And the face that glows in the pine-wood fire.

—C. T. Davis.

Isles Where People Live in Solitude.

The Isle of Hain, one of the Orkney group, supporting a population of exactly two people—a man and his wife. Hain, therefore, ranks officially as the British island with the fewest population, though several others run it very close. Hain, for example, one of the same group, possesses a population of three all told and Coptishay has seven.

A Sagacious Newfoundland Dog.

At certain seasons of the year the streams in some parts of North America, not far from the coast, are filled with fish. A real Newfoundland dog (which by the way is much slighter in build than is generally thought) belonging to a farmer who lived near one of these streams, used to keep the house well supplied with fish. This is the way he managed it.

WONDERS HOW SHE EVER ENDURED IT

Mrs. Connor Declares Stomach Trouble Was So Bad She Could Hardly Eat at All.

"If I hadn't gotten Tanlac when I did I believe I would have had to go to a hospital," declared Mrs. Wm. Connor, 226 Hess St., Hamilton, Ont., recently.

"My stomach was so disordered that everything I ate made me deathly sick and caused pains in the pit of my stomach that nearly drove me distracted. Often the agony was so great I couldn't help crying, and for two or three days at a time I wouldn't eat a morsel of food. I was as nervous as a witch, miserable for the want of sleep, and often wonder now how I lasted through it all.
