## BASEBALL

At Dundalk on Thursday, of last week, the Vandeleur ball team were defeated in an interesting game by 6 to 5. It was a hotly contested game from start to finish and the Vans kept the speedy Dundalk aggregation going all the way in order to pull out a victory. Ah, Bushman pitched for the Vandeleur team and kept the hits pretty well scattered. A bad throwing, due to lack of practice, was responsible for the downfall of the visitors. The players for Vandeleur were: E. Waring, H. Graham, D. Graham, R. Graham, Russ, Freeman, Roy Freeman, H. Beard and H. McGee. G. S. Dundas, of Markdale, was the umpire.

The next game in the Centre Grey League will take place in Markdale on Monday, August 6th, when Plesherton, and Vandeleur meet. Game called at 3:30 o'clock.

## 25 YEARS AGO.

From The Standard Files of June 16th, 1898.

On Friday night the southbound train, with two engines, was stalled on a grade between Chatsworth and Holland Centres. The millions of caterpillars which covered the track in that locality were responsible, their tangled bodies rendering the track so slippery that the train had to be divided into two sections; Grey is the only county that is being crisscrossed over, either by these creeping things.

July 14th, 1898.

Billie Jackson, the great implement man, has sold this season 30 bicycles.

Eva Ford, Violet McPuff, Lina Wright, Edith Miller, David Morrow, and Angie Ploves wrote last week on the primary exams at Owen Sound.

A. A. Hackett, V. S., has sold his practice to M. Oliver, V. S.

W. J. Benson has completed his new brick residence on Wellington Street, which is one of the most modern in the town. He and his wife are now up the lakes on their wedding trip.

On the ground that wheeling friends as farmers' horses, the Township Council of Osgoode, Carleton County, have passed a by-law prohibiting bicycling in the Township.

July 11th, 1898

Frost did considerable damage to garden truck on the night of the 10th.

## DEAD LETTER OFFICE, IS SELF-SUSTAINING

It will be news to many readers to learn that the dead letter office is practically self-sustaining, says the Kitchener Journal, the revenues received from misdirected letters containing money enclosures being sufficient to pay all the expenses of the large staff permanently engaged in the endeavor to find correct addresses for the upwards of 3,000 letters which are received daily.

One of the special troubles of the staff is the trustful citizen who encloses five to fifty dollars in a letter, signs himself, Joe, Jim or Charlie, and then improperly addresses the envelope, giving no proper clue to his identity in the body of the letter. Such money, unless the sender's identity can be ascertained, finds its way into the post office department treasury. This together with the returns from the auction sales of misdirected parcels, for which there are thousands, practically pays for the dead letter branch.

In spite of the warnings frequently published for citizens to take special care in addressing letters containing money, and also to always put the address and full name of the sender on every such letter, the volume of misdirected or insufficiently addressed letters continues to mount upward.

## Mrs. William Crawford

The sudden death of Mrs. William Crawford, of Berkeley, on Tuesday, July 24th, was a great shock to her many friends in the community. The late Mrs. Crawford had been taken suddenly ill only a week previous, and on Sunday she underwent a very serious operation. The funeral was held on Thursday afternoon at Berkeley Methodist Church cemetery. A short service was held at the house, and the funeral service was held at two o'clock in the Methodist Church, Berkeley, the Rev. Mr. Bushel, her pastor, officiating, assisted by Rev. Mr. Wakefield. The funeral was very largely attended by friends and neighbors, nearly fifty motors being in the funeral procession, and the floral tributes were many and very beautiful.

The late Mrs. Crawford was born in the County of Perth, near Newton, Ontario, and spent the early years of her life there. Her maiden name was Miss Isabella Harmon, and she was the daughter of the late Mr. and Mrs. Hugh Harmon. Twenty-nine years ago she was married to the late Mr. William Crawford, and since that time has resided at her late home immediately north of Berkeley. Mr. Crawford passed away under similar circumstances about fifteen months ago. The late Mrs. Crawford was well and favorably known throughout the district for her many kindly and neighborly deeds, and her sudden death at practically middle life, aged fifty-two years, is deeply regretted by all who knew her.

A family of five children survive, namely: Myrtle, Pearl, Eva, Oswald and Morell, at present all at home. Six brothers and four sisters also survive, namely: Hugh and Robert, of Toronto; John, of Venn, Sask., Alex. of Northbridge, Alta.; Henry, of Cleveland, Ohio; and David, of Newton, Ont.; Mrs. John McInnis, of Berkeley; Mrs. P. C. Green and Miss Edith Harmon, of Toronto; and Mrs. David Hiddell, of Newton.

The sympathy of the community is extended to the family in their sad bereavement.

## Vandeleur

(Special to The Standard.)

Rain is badly needed in this community.

On account of the excellent weather of the past few weeks, the hay crop in this vicinity is almost entirely gathered in, and it is said to say that no crop was ever harvested in better condition.

The Ladies Aid held their July meeting at the home of Mrs. Daisie, on Friday afternoon, of last week. Lunch was served at the close by the hostess.

The church service on Sunday afternoon was conducted by three young men, Messrs. Patterson, Acher, and Duncan, of Ingleton, who gave excellent addresses on the three years of Christ's ministry on earth, each of the speakers giving the history of one year.

Next Sunday the pastor, Rev. F. N. Boves, will have returned from his holidays and will occupy the pulpit in Ebenezer Church.

The League Service on Sunday evening was conducted by the members of the Executive. Three beautiful poems, prepared by Miss Hazel Wylie, who has been appointed for that purpose, were also read. The new hymn books which have been purchased by the League, were used for the first time. The League is having a free basket picnic at Eureka, on Thursday afternoon, of this week, to which all members of the community are invited.

A printer's error appeared in last week's news. The items should have read as follows:
