BASEBALL

Chelmsley on Monday

The Chelmsley team, which has been playing in the Ontario League, is expected to arrive in Markdale on Monday. The team is composed of some of the best players in the league and is expected to play a few games in Markdale.

Micro-organisms

The micro-organisms which cause disease are very small and can only be seen with a microscope. They are found everywhere and can be carried by air, water, and food. It is important to keep ourselves clean and to avoid contact with sick people.
