## Convinced by help it gave his friends

Testimonials from people he knew convinced Sergeant Elvin, of the Salvation Army, that Dreco was well worth trying. Result delighted him.

Mr. J. R. Elvin of 177 Dufferin Street, Toronto, who for [illegible] has been a Sergeant in the Salvation Army in charge of the Dufferin Street Citadel, tells how Dreco helped him. He says: "I have had wonderful work, heard all sorts of praise in terms of deepest gratitude by people I knew well. What more natural than that he should decide to try it himself.

"Although I have only taken a bottle and a half of Dreco, it has done me a world of good already," states Mr. Elvin. "Last winter I had an attack of lumbago, which left my system in a very badly run-down condition. Pains shot across my back, over the kidneys. My stomach would not digest my food properly, causing gas to rise after each meal, and I often had bilious attacks."

"After reading of the help people I knew were receiving from Dreco, I thought it might also benefit me and I have not been disappointed in any way. The pains in my back have greatly improved, my stomach is much better and I have had no gastric or bilious spells since I started taking this medicine."

"My bowels are regular and I get up feeling fine and refreshed in the mornings and my day's work is done much easier. I have recommended Dreco to many already and never hesitate to praise it."

Dreco's claims can be readily substantiated. Reliable people who have tried it are loud in their praises of this fine herbal remedy. They have found that it actually does tone and regulate the system and improve the general health. Dreco is made from herbs, roots, bark and leaves and contains no mercury, potash or habit forming drugs.

(Dreco is being specially introduced in Markdale by Johnson Lucas, and is sold by good druggists everywhere.)

The special music for the day was well rendered by the Choir. The hymns were 344, 348, 324 and 463.
