The Sunday School Lesson

OCTOBER 28

Some Missionary Teachings of the Prophets. Isaiah 60: 1-3 Jonah 4: 10, 11; Micah 4: 1-3; Zephaniah 3: 9. Goden Text-Gentiles shall come to thy light, and king to the brightness of thy rising.—Isaiah 60: 3.

Lesson serring—This week's lesson this brief passage three things are is wholly based on the utterances of struck out into bold relief.

The prophets might be a little from their high place they saw not form their high place they saw not little little surrounded by training the course of these events. They saw national down night. The nations about me to be a turn of these events. bear.

That is a strange thing for a little ing aside from the pathway of God's purposes, for and through his people. If for the formula in a strange thing for a little ing aside from the pathway of God's purposes, for and through his people. If the fact of responsibility a formula and her attendants got tired of hearing about it.

Beyond the castle stretched a black world beyond.

They saw also that the highway of 2. The fact of responsibility a for the formula in the formula in the strength of the formula in the formula in the strength of the

large enough for a roll-top desk, a forest where bears were said to roam. The little princess used to sit up in the safe, built-in blookcase, and an outside door and a good-sized window.

Upstairs I would have it studded in so as to have a hall and three bed-some of some of good size to receive a bed-sized window.

Upstairs I would have it studded in the sky," said Ermintrude, and she hall. By studding in, it would the hall. By studding in, it would the hall I would have good light in the hall I would have good light in the hall I would have good light.

"And she shall rot go now," said the kitchen.

"This house should have a verlandah were way this time."

This house should have a verlandah were should have a verlandah were should have a verlandah a porch on the back side of the house at the east ten feet wide, with one past at each end to make the arch effect, and a porch on the back side of the builder. I but the time twilight fell the windows. Then he would have a verlandah in the hall into the light of castle grounds.

Beyond the castle stretched to roam. The prophic pictures light is come. The prophic pictures in gand growing light for the light is come. The prophic pictures of the sellow. It is an detail bying in ruins like a crush between lying in ruins like a crush between lying in ruins like a crush of the wise, and to the Barlarian of the exiles of Isaac requiring from the silong. The form a debtor both in the sky," said Ermintrude, and she in the sky," said Ermintrude, and she in the sky," said Ermintrude, and she in the sky is an detail of the wise, and to the univise of the wise, and to the univise of the wise, and to the univise of the light is come. The prophets of the light is come. The prophets of the said of the keiles of Isaac requiring from to the wise, sistent prophets of the light is come. The prophets of the li its apparent triviality. John grined because Nineveh had estroyed according to his ord. He notes not that Ni

> thisking and speaking is to issue in thisking and speaking is to issue in united action. They are to serve the Lord with one consent, or more vividly with one shoulder or yoke. In the followill stay dry. If you have with one shoulder or yoke. In the following verses, the prophet goes on to give a beautiful picture of the fidelity of such a remnant. Once again we see the world is to share in the picture. Is ruel is to be a name and a praise among all peoples. among all peoples.

> APPLICATION:
>
> Prophecy is often popularly conceived of as mere foretelling. It is rather for thelling,—a solemn preaching of grease in the transmission is sometimes an important feature of that forthtelling, but prophecy for the most part is an interpretation of the mind of God,—a discovery from man's angle, but a revelation from the standpoint of the Almighty.
>
> Off the deposit left by harmony will be raser to get his will be nesser to get his posser to get his will be nesser to ge

oint of the Almighty.

Prophecy was oral in its beginnings winter; to take off the Prophecy was oral in its beginnings winter, to take off the extand then flowered out into literature; and cleen out the carbon of Prophecy in its first spread was a protest from the lips of Samuel against the head on again cover the Philistine oppression. In its final development it became a picture of world dominion for God. In other words, what took its rise as a patriotic yearning, humanly speaking, came to he or Jehovah: Prophecy, became. If there is any part. missionary in its outlook.

For example, take Isa. 60: 1-3: In mer—the magneto, for the unit of the control of
