Messrs. W. D. Henry, R. J. Stephen, J. C. Henry, A. L. C. Kirkwood, J. B. Lucas an Fred Angell who were the guests of Henry Martin for the past two weeks, left Friday for home with a full compliment of splendid deer. They all expressed themselves as delighted with the good time, and found the deer plentiful also the partridge and rabbits. The weather was also ideal for being in the bush. No casualties are reported but judging from the ammunition fired, they certainly had some time. R. J. Stephen, the old man of the party, was reported ill during most of the time, suffering from the fever, which all green hunters get, but was convalescent, and able to leave with the party for home delighted that at last he got his deer.

Markdale Cemetery

A little over two years ago Markdale Council appointed a Board of Management and Control of the Public Cemetery. As a result the grounds were forthwith greatly improved, and every plot has since been kept trim.

The perpetual up-keep system, which was introduced at the outset, is proving an admirable feature. The fee is $15.00 on each lot, and this far $2,300 has been paid into this fund, and $2,000 of this has been invested in Provincial bonds, the interest only being used for current purposes.

Those who have not yet paid their indebtedness are urged to do so before the 10th of December, the treasurer, Mr. A. E. Colbran, desirous of having these funds in to enable him to produce a satisfactory report at Nomination. Just a word we would remind those who have thus far withheld their dues that it is not fair to those who paid up years ago. The interest on $15.00 up-keep tax for a lot, even 25 cent. comes to 75 cents a year, which goes to help pay for improvements and caretaking, and those who have withheld this have had the benefit for just the same as those who have paid.

The revenue for this fund is already sold, if all paid, the perpetual fund to over, interest of which would go for improvement and up-keep, so let there be co-operating up by the 10th of December.
