

"Help the Veterans"
To help solve the problems of the Veterans' Associations, a Dominion-wide campaign for funds is now being conducted in the form of a Poster Judging Competition.

Send Donation of \$1.20
Every donor of \$1.20 will be presented with one ticket-folder on which sixteen of the most celebrated BOVRIL posters are reproduced in full color.

Which are the 12 best, in order of merit, is what you must decide. The folder shows just what you must do. It is a fascinating trial of taste and judgment to class these posters in the order which popular fancy will endorse. It is a real game which can be played over and over again, and in which all the family can join.

To add interest, 2,000 prizes have been authorized for, amounting in all to \$30,000 (about \$136,888.00), these having been donated by BOVRIL LIMITED.

The first three are approximately as follows:
1st Prize, \$55,555.00
2nd Prize, 13,888.00
3rd Prize, 4,555.00

Only the vast scale on which this Poster Judging Competition has been organized, has made it possible to offer these wonderful prizes.

Join in the game which is a most entertaining one, and which calls for intelligence and skill. Send your donation now and let every one try the game.

Address donations to any of the following organizations or their branches which are actively interested and send your help!

With The BOY SCOUTS
Former Scout Now Chatham's Mayor
"You know, some day, one of the boys here tonight may be Mayor of our city." Wonder how often Scouts have heard visitors speak like that at Scout meetings? And how many of the boys really thought that maybe the prediction might come true?
One place where it has come true is Chatham, where Mr. C. D. Sulman has just been elected as Mayor of the city. "Ted" Sulman, as he is best known in Chatham, took a great interest in the Boy Scouts when he was a boy himself. He qualified for most of the Scout badges, including the King's Scout and the coveted Silver Wolf; and later on became one of the most active Scoutmasters in Western Ontario. He is superintendent of a Sunday School, and for years was violinist in the S.S. orchestra. Though but 24 years of age, Chatham's new "Boy Scout Mayor" is daddy to two little 'girls' who are prime favorites in a wide circle of acquaintances.

Ground for Complaint.
Tenderfoot—"Say, there is sand on the bread."
Second Class—"Fine, it will keep the butter from slipping off."
University Scouts Organizer.
Former Boy Scouts and Boy Scout leaders attending the University of Toronto and its affiliated colleges have organized a University Old Scouts' Club to keep alive their interest in Scouting and Scout activities. The charter membership includes young men formerly connected with Scout troops in many parts of Canada. After the Christmas holidays the Club hopes to put on a Winter Training Course for Scout Leaders with the assistance of Mr. Rodney C. Wood, Dominion Camp Chief, of Ottawa.

Scouts Prevent Auto Spill
Quick thinking and a disposition to help others, displayed by two Toronto Scouts on Thanksgiving Day, prevented what might have turned out to be a serious accident, on the steep and slippery road that winds past the Old Mill on the Humber River.
The two lads were entering up the hill, probably pondering what their good deeds for the day should be, when they noticed an automobile backing down the roadway. The car was filled with people, and obviously beyond control. The tires would not grip on the slippery pavement. There was danger of the automobile party being precipitated into a dangerous gully at the side of the road.
With alacrity the two Scouts obtained stones and other hard impalements from the side of the road and cast them in front of the skidding wheels, enabling the driver to bring his car to a stop.

ORPHANED BY THE JAPANESE DISASTER
Nine-months old Baby Nicoll is one of the many little British refugees who have arrived in Vancouver since the great earthquake in Japan two months ago. For 36 hours she lay without food or shelter on the bluff at Yokohama until she was discovered by rescue parties and eventually restored to her father, H. K. Nicoll, with whom she travelled to Canada on the "Empress of Russia." Mr. Nicoll's wife and other daughter were lost during the disaster.

TEETHING TROUBLES
Baby's teething time is a time of worry and anxiety to most mothers. The little ones become restless; their little stomachs become deranged and constipation and colic sets in. To make the teething period easy on baby the stomach and bowels must be kept sweet and regular. This can be done by the use of Baby's Own Tablets—the ideal laxative for little ones. At 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
The Teacher Caught.
"If a banana cost three cents," said the teacher, "what will a dozen cost?" Willie hesitated, then gave it up. "Well, do you suppose you could do the sum if we were to play at keeping shop?" Willie thought that he could, and consented to enter the make-believe market and address the shopkeeper. "Have you any good bananas to-day?" "Some fine ones at three cents a piece," was the reply. "I'll take a dozen, if you please," said Willie, digging down into his pockets for imaginary cash. "And how much will that be?" "Time to Leave." "Get up—Allow me, before I close, to repeat the words of the immortal Webster."
Hayseed (to wife)—"Land sakes, Maria, let's get out of here. He's a-goin' ter start in on the dictionary."

EASY TRICKS
No. 55
Fly Away
Balance a visiting card—or a playing card—on the tip of the forefinger of your left hand. On this, directly over the forefinger, place a half dollar.
The problem is to remove the card without touching the half dollar and without causing the half dollar to leave your finger tip.
All that you have to do is to snap the forefinger of the right hand so that it will strike the corner of the card. If you do it correctly—and you'll get the hang of it after a few trials—the card will fly away, leaving the half dollar on the finger tip.
There is a little knack about doing the trick but the knack will come with very little practice.
(Clip this out and paste it with other of the series, in a scrapbook.)

STOMACH TROUBLE
DUE TO THIN BLOOD
It Usually Disappears When the Blood is Made Rich and Red.
Thin blood is one of the most common causes of stomach trouble. It affects the digestion very quickly. The greatest cause of an improved appetite and diminished in their activity, the stomach muscles are weakened and there is a loss of nerve force. In this state of health nothing will more quickly restore the appetite, digestion and normal nutrition than good, rich, red blood.
Dr. Williams' Pink Pills act directly on the blood, making it rich and red, and this enriched blood strengthens weak nerves, stimulates tired muscles and awakens to normal activity the glands that supply the digestive fluids. This is shown by an improved appetite and soon the effect of these blood enriching pills is evident throughout the whole system. You find that what you eat does not distress you, and that you are vigorous instead of irritable and listless. If your appetite is failing, if you have any of the distressing pains and symptoms of indigestion, you should at once take Dr. Williams' Pink Pills and profit by the better condition in which they will put your blood.
These pills are sold by all dealers in medicine, or you can get them by mail, 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
