The Family Herald's Offer

Readers of the Family Herald and Weekly Star of Montreal are noted for their enthusiastic support which they give their paper. Their enthusiasm and trust seems to be well placed. They never look upon the \$2.00 subscription as an expense, but rather as a safe investment which pays them big dividends each year. They are no doubt right when they claim that each issue of the Family Herald and Weekly Star contains money-saving and money-making ideas which will pay the subscription price over and over.
