ELECTION RESULTS

Markdale

Alex. McEachnie, Esq., Reeve of Markdale for the year 1924.

The electors in Markdale were very partial to Alex. McEachnie on Monday when they elected him Reeve for 1924 over ex-Reeve Reburn by a majority of 104, the figure being McEachnie 224, Reburn 120. Both candidates had figured that the result would be close and it was a surprise to the supporters on both sides when the majority was announced. Mr. McEachnie, with his many of Markdale's own boys, is to be congratulated on his evidence of his popularity reflected in the splendid vote he received. He has been a faithful and energetic member of the Council for the past three years and his elevation to the Reeve's chair will bring new responsibilities which he will discharge with credit to himself and benefit to the municipality. With the Council is composed Reeve McEachnie and Councillors J. C. McFadyen, W. G. Leir, R. S. Cumming and J. H. Johnston, the village should have good government in 1924.
