#### HEALTH EDUCATION

BY DR. J. J. MIDDLETON Provincial Board of Health, Ontario

Pr. Middleton will be glad to answer questions on Public Mealth matters through this column. Address him at Spadina House, Spadina Crescent, Toronto.

HEALTH CONFESSIONS OF help yourself to keep happy and well.

BUSINESS WOMEN.

A distinctly novel book has just been pendices showing in detail how to brought out by the Division of Industrial Hygiene of the Provincial Board tions to ask yourselves and a method of Health. It is albook for business women written by business women written by business women themselves and is the joint work of between 200 and 300 secretaries, clerks, stenographers, bookkeepers, and others.

Altogether the book is an excellent men" is a collection of very frank and revealing letters on the health problems—of business women. The sense that it is written by 'girls who for control of life discussed. It is "expert" in the problems—of business women. The sense that it is written by 'girls who for sense that it is wr problems—of business women. The sense that it is written by girls who introduction discusses the special fea- are themselves coping with the problems of the office worker's life and lems.

The sense that it is written by girls who introduction discusses the special fea- are themselves coping with the problems of the office worker's life and lems.

But "Health Confessions of Business Over and Over."

The third chapter deals with health in its narrowest meaning, physical cheerful, confident letters from the health, and gives the business girls with highly dispositions who find own experience on subjects such as life good and interesting despite own experience on subjects such as life good and interesting despite tail into the problem of where analythous actual conditions of life are tail into the problem of where analythous call other are views from the rooming house, alone on with others, the winest the effect, on health of the discount ways of living and suggest the discount of the discount of

Brantford, Ontario.—"I was always tired and the least exertion would put ine out for a day or two. I had a pressing pain on the top of my head, pain in the name of my neck, and when I stooped over I could not get up without help, because of pain in my back. I did not sleep well and was nervous at the least noise. I keep house, but I was such a wreck that I could not sweep the floor nor wash the dishes without lying down afterwards. A friend living near me told me what Lydia E. Pinkham's Vegetable Compound had done for her so I began to take it. With the first bottle I felt brighter, and got so I could wash dishes and sweep without having to lie down. Later I became regular again in my monthly terms. I have taken ten bottles all told and am now all better. I can truly say that your wonderful medicine cannot be beaten for justing health and wim into a wontil "—hirs. IAMES H. MACPHERSON, But Greenwich St., Brantford, Ont.
