SURPRISE does more than wash a garment so that it looks clean. It dissolves hidden impurities without injury to color or fabric, and leaves the garment thoroughly cleansed.

Eugenia March came in like a lamb. But is the lion far away? Just think, it is only a March of 31 days till April showers bring forth May flowers.

New Road Foreman-A. F. Pedlar After the death of the late Mr. James Walker, Road Foreman over the road from Mr. R. Hoy's, Collingwood Gravel, to the deviation at Mr. H. Walton's, 14th Con., Artemesia, many applications were sent in to fill the vacancy. The position was awarded to Mr. A. F. Pedlar, whom we believe will do the work in a way that will be worthy of commendation. Success Mr. Pedlar.

U. F. O. and U. F. W. O. Box Social On Friday evening, February 29th, a very successful box social was held in Rook Mills school house under the auspices of the U. F. O. A fine program was given and all present were well pleased with the event.

Birthday Parties Mrs. Joseph Sherwood gave a party in honor of her little granddaughter, Lucy (McDonald), on Saturday afternoon last. There were about 25 children present and all enjoyed themselves greatly, especially at the dainty birthday repast. Each one gave Lucy a real pretty gift in honor of the occasion. She has had only two birthdays since the day of her birth eight years ago, which happened to be in Leap year, February 29th. We are pleased to report that she is gradually regaining sight in her injured eye. We join in wishing her many happy returns of her birthday.

Death of Mr. Utley Extremely sad was the death which occurred here on Saturday, February 23rd. Mr. Herbert Morley Utley, who had been employed on the new pipe line, took ill on Tuesday. Doctors were summoned but still the man continued to become worse and Dr. Middlebro from Owen Sound was called to perform an operation on Saturday but arrived too late to operate and Mr. Utley passed away in the afternoon at the home of Mr. Geo. Benson, where he boarded.

Mr. Utley was born in Yorkshire, England. He was about 50 years of age. He had served three or four years overseas in the Great War. Mrs. Utley was called from Toronto and arrived in time to witness her husband's death. The funeral took place in Salem Cemetery on Monday afternoon. Rev. Joe Hanover officiated at the house and graves. Mr. Utley leaves behind him a wife and two small children, the youngest only 8 months old. To them we extend our sympathy. The family is totally unprovided for and the people of Eugenia made up a purse of \$100 for them. On Tuesday evening a box social is being held, the proceeds of which will go to the bereft family.

On February 12th, Master Douglas Morgan, a number of little boys, were taking the third anniversary of his birthday. All enjoyed themselves very much. My Douglas has been a very happy birthday boy.

A most enjoyable evening was spent in the Methodist Church on Thursday last, when the local League had as their guests the members of the Ebenezer League. The latter League provided a splendid musical program which included duets by the Misses Boyd, instrumentalists by Mr. Roy Sparling, and recitations by Miss Coffee, Miss E. Parker and by Ivan Sparling. Mr. H. Burns delighted everyone with his humorous and home songs. A couple of hours were spent in games and the room was full of merriment and enjoyment. The lunch at the close provided better opportunities for all to become better acquainted and even the "older young people" who were present could not help wishing themselves more regular in attendance at League. Before the close of the evening the thanks of the Ebenezer League to the League at the Falls, was voted in a very able speech by Mr. Leslie Shepherdson who gives promise of a future orator, and seconded in an equally able manner by the Ebenezer President, Mr. A. Woods. At the time of going to press we have not heard if all our Ebenezer friends reached home safely, but we hope they did. Our hopes for another such pleasant evening may not be realized. Mr. Seymour Smith left on Saturday for Meaford, enroute for the West after spending a couple of months in our midst.

Melancholy-Gloom-Despondency Tell Of Exhausted Nerves

It is unfortunate that one of the most common symptoms of nervous exhaustion is the tendency to melancholy, gloom and despondency. You get looking on the dark side of things. You begin to worry and cannot see that the future holds anything better for you. The supply of nerve force is running low and you lack the energy necessary to throw off these blighting, depressing feelings. The depleted nerve cells must have nourishment. They must be fed back to health and strength. In Dr. Chase's Nerve Food you find in condensed and easily assimilated form the ideal treatment for an exhausted condition of the nervous system. You will not be using this treatment long before you feel your mind and resting better. It will take a little time to build up the system, but you will soon find yourself more cheerful, more confident and more energetic and will be encouraged to keep up the treatment until fully restored.
