Health Restored by The Fruit Treatment

Fourteen years ago, Mr. James S. Delgaty, of Gilbert Plains, Man., was a nervous wreck. His system was shattered by Nervous Prostration, and he was reduced in weight from 170 to 115 pounds.

He wrote on May 15th, 1917, "Every medicine I tried proved useless until a friend induced me to take 'Fruit-a-tives.' I began to mend at once. After using this fruit medicine for three months, I was back to normal. I have never had such good health as I have enjoyed the past six years. We are never without a box of 'Fruit-a-tives' in the house."

Writing again on September 27th, 1923, Mr. Delgaty says, "I stand by my letter to you in 1917—I still recommend 'Fruit-a-tives'."

"Fruit-a-tives" is a complete fruit treatment—being made of the juices of fresh ripe fruits and tonics.

25c. and 50c. a box—6 for $2.50—at druggists or sent postpaid by Fruit-a-tives Limited, Ottawa.

Invited for the week-end

—by Long Distance

It was Thursday afternoon in the country. Hospitable Mrs. Maitch seemed disappointed. The week had slipped away before she knew it. No one had been invited up for the week-end and there wasn't time in which to write.

And then she thought of the telephone — Long Distance! What an inspiration!

In twenty minutes she knew the Smarts would come — delighted to — and what train they would be on. Splendid! — and she had ordered some extra supplies from her grocer in town to be shipped by express that night!

What a *pleasant* week-end she will have — thanks to Long Distance!

Cemetery Improvements

We notice with pleasure by our exchanges, which reach out into several counties, that a growing interest is being manifested in the improvement and care of cemeteries, many of which have been sadly neglected. May the good work become contagious until universal.

Markdale citizens are justly proud of the vast improvement which has been made in this respect during the past three years, and the excellent system adopted for perpetual upkeep of every plot in Markdale Cemetery.
