(Special to The Standard.)  
Fine harvesting weather at present. Some farmers are threshing their wheat of which there has been many excellent crops.  
Good Fall Wheat Crops  
There were some fine fields of fall wheat in our vicinity this harvest. Mr. Purvis had a very heavy yield, there being seven loads taken off three acres. The straw measured five feet and over. The crop was entirely free from weeds and thistles. No special attention was given the land in preparation for the seed. In the fall many cattle and horses on the street had broken into the field on several occasions and had tramped and eaten considerable. The wheat was drawn on a large rack similar to those used in the west so that the loads were not small ones. Mr. Sherwood also had an excellent crop, the yield being six good loads and the rickings off three acres. Mr. Pedhar and Mr. F. Genoe had each a fine field. With the good price those having good crops should realize a nice sum for their harvest.  
Gone West  
Mr. Richard Park (Postmaster), who has not been enjoying very good health for some time, has gone west to visit his brother and sisters in Dominion City. We hope he will be benefited by the trip and wish him a pleasant visit. He left on Thursday last week. Messrs Basil and Burton Carruthers, accompanied by Mr. Stewart McMullen of Lady Bank, left last Thursday for the West. They will go to Ogema where Stewart's brother will reside. We wish the boys an enjoyable and successful outing.  
Hit by Ball  
While Owen Sound and Thornbury were playing baseball at the cooperative picnic on Thursday of last week Mr. Stanley Campbell (one of the spectators) had the misfortune to get hit above the eye with the ball which made a nasty seven stitches. He was taken to Park's home and a doctor from Stayner dressed the wound. Last week he was so unlucky as to have his finger taken off by the hay fork. We extend our sympathy to you Stanley.  
Little Miss Manie Kerton is spending her holidays with her sister Tillie at Mr. Hugh Feiwel's near Feverson.  
Miss Wineta McMullen of East Mountain spent a few days with her friend, Miss Dell Wilson.  
The McKee family visited friends near Collingwood. Misses Mary and Isabelle remained for a week's visit.

At times my face was completely covered with large sores, and I tried nearly every kind of medicine that I heard of with no results. This lasted for over twenty years, until one day I asked the advice of my druggist, who made me give Dr. Chase's Ointment a trial.
