Markdale Fall Fair

Markdale Fall Fair which will be held on Tuesday and Wednesday, October 7th and 8th, promises to be better than that of any former year. The prizes in several of the classes have been increased and several new items have been added to the list. Good purses are being offered for three speeding events and there is promise of a good line-up of fast horses for all three races. Markdale Citizens' Band, which is in splendid shape, will supply an abundance of good music during the afternoon and will head the parade of school children to the grounds, leaving the Public School at 1:30 o'clock. In the evening the Orpheus Chorus of Owen Sound, twenty trained singers, will give a concert in the Armouries. The organization has filled several engagements this fall and reports are that they put on a splendid program.

Smith-Williams

A pretty autumn wedding took place on Wednesday afternoon, September 24th, at the home of Mr. and Mrs. Edmund Williams, Holland Street, when their youngest daughter, Eloise Hathaway, became the bride of Mr. Ralph G. Smith, only son of Mr. and Mrs. David Smith of Tottenham, Ont.
A bank of ferns, foliage and autumn flowers formed a beautiful background for the wedding service which was conducted by Rev. W. G. Wakeland of Berkeley. The bride, who was given in marriage by her father, was carried in a pale pink get-up and wore the traditional bouquet of pink asters and maiden-hair. She wore the classic gift, a handsome string of pearls. Little Mary Laidlaw, in a dainty dress of white silk, carried the ring on a pillow of flowers. The wedding march was played by Miss Jessie Williams and during the signing of the register Miss Kathleen Williams of Toronto, niece of the bride, sang in splendid voice, "Oh, Promise Me." Following the ceremony a buffet luncheon was served. Later the happy couple left by motor for London and Chatham, the bride traveling in a tailored suit of navy tricot with small hat of rose and navy. The bride received many beautiful gifts from relatives and friends in the community. On their return, Mr. and Mrs. Smith will reside at Tottenham, Ont.

Riverdale

The election Waterloo is now going strong, but the probabilities are that the good old water wagon will have a very flat tire after October 23rd. Mr. Perry Rutt attended the Fall Fair at Fiesherton last week. Messrs. G. Irwin and L. Bodles were on a business trip to Meaford last week. Miss Jennie Leppard visited friends at Harpaway last week. Mr. H. Haines of Sping was engaged in threshing in this vicinity last week. Miss Dora Sheen of Owen Sound spent a few days in this vicinity, recently the guest of Mrs. G. Nesbitt. Mr. A. H. Hobbie of Vandeleur was a delightful caller in this vicinity on the first of the week. Mr. Elmer Eagle of Cherry Grove was engaged in threshing on Second Ave. West on Saturday and Monday. Mr. D. Boyd spent the week-end with friends at Strathava. Mr. and Mrs. A. Thompson visited friends at Collingwood recently. Mrs. A. Torrie and Master Clayton of Strathava spent a few days in this vicinity last week. Mr. G. Thompson of Rosedale, agent for the famous Rawleigh Remedy Co., supplied Riverdale citizens with the goods last week. Miss Marjorie Cook entertained a number of the young people to a delightful home party on Friday evening.

Another Radio Fan

A most remarkable invention is the radio. There are three or four in town and a couple in the neighborhood, all of which give almost unbelievable results. R. O. Whitty is the man to have one installed. It is the Brastron, the other night Mr. Whitty distinctly heard Mr. Wheeler, who is running for Vice-President of the United States, make a political speech away out in Madison, Wis. Not only was every word distinct, but he could hear take a gulp of water and then place the glass on the table. Then, by turning the dial a little Mr. Whitty could connect with some other point, viz., an opera in St. Louis, Mo.; a concert in Chicago, Ill.; or an entertainment from almost any city broadcasting on the Continent.

Anglican Church Notes

The Rev. Mr. Hartley of Toronto was to have been the preacher at last Sunday night's service, but was unable to be present. His place was taken by the Rev. G. A. Andrew of Hanan, China. The congregation thoroughly enjoyed the information given in regard to affairs in China. The work of Christian Missions in China, is certainly being owned and blessed by God. Next Sunday morning the Rev. J. F. Parke will be the preacher.
Sunday, October 5th: Morning service at 11 a.m.; evening service at 7 p.m.; Sunday School at 10 a.m.

Walters Falls W. I.

The Walters Falls W. I. was held on September 17th, in the basement of the Methodist church, with 27 members and five visitors present. With the President in the chair, the meeting was opened by singing the Lord's Prayer ode followed by the Lord's Prayer read in unison. The secretary then read the minutes of the previous meeting. A donation of fruit in imperial quarts is being sent to the Sick Children's Hospital. The members are requested to leave their donations at the home of Mrs. J. L. Laycock on or before October 15th, where the date is to be packed later. The ladies were very much disappointed when Dr. Middleton, who was to have addressed them, did not arrive owing to car trouble, but hope to have the pleasure of hearing him sometime in the future. The meeting closed by singing the National Anthem, after which several of the ladies served refreshments. The next meeting will be held at the home of Mrs. Russell Dixon on October 15th.
