"Eczema All Over Arms Suffered for 12 Years"

Mrs. Murray Hough, Vinton, Ont., writes:

"I had eczema for twelve years. Every once in a while it would break out and spread all over my arms. I tried all kinds of treatments to relieve it, but without success. One Spring it broke out and nothing gave me relief, even the salve I got from the doctor did no good. At last I tried Dr. Chase's Ointment and it healed the eczema in a short time. That is over a year ago, and I have had no return of the trouble."
