A feeling of genuine sorrow overtook the community here when it was known that Mr. Thos. Harvey had passed away at his home early Wednesday morning, April 25th, although it had been generally known for some weeks previous that there was little hope of his recovery. Mr. Harvey had not enjoyed the best of health for some years and during the last year or two grew gradually worse, although everything that medical skill and careful nursing could do was done. He had fallen rapidly during the past few weeks and during the week previous to his death it was apparent to all that the end was drawing near. Mr. Harvey was well known and highly respected, having lived here all his life-time. He received his early education in the school which was recently destroyed by fire and was always a general favorite with all who knew him. He possessed a keen intellect and when health permitted he took an active part in the social life of the community and in his various organizations. He was the efficient Secretary of the school board for several years. He was also Sec.-Treas. for the building committee of the new school and had been President of the Farmer's Club for a couple of years when on account of ill health he resigned. His death in the prime of life is a distinct loss to the community. The funeral on Friday was largely attended and was conducted by Rev. A. Richardson, rector of Chris Church, Markdale. In the course of his remarks the reverend gentleman said that Mr. Harvey was one whom he had always held in the highest esteem and spoke of his sterling qualities. The four hymns included a couple of special favorites of Mr. Harvey's, one being sung by the Cherry Grove choir. The floral tributes were many and beautiful. His widow, three daughters and one son, also his aged mother, have the sympathy of the community.
