

"Best Thing in the World For Delicate Girls"

Mrs. John Bennett, Boggy Creek, Man., writes: "My little girl had organic nervous trouble, could not sleep, had severe headaches and fainting spells. This went on for three years, and three doctors helped her very little. After reading of what Dr. Chase's Nerve Food had done for others, I got some for her. She is now so well that she is like a different child. She is fourteen years old and looks like the picture of health."

"We have used Dr. Chase's Nerve Food for different members of the family, when recovering from 'flu' and scarlet fever, and it has always helped them."

The most interesting event was a presentation by the pupils of a ring and cuff links to Mr. Gordon, their teacher. The presentation was made by Murray Kirktown and Billie Jackson, while Alma Hampton read the following address: "Mr. Gordon, although completely gone by surprise, fittingly replied after which all joined hands and sang 'For he's a Jolly Good Fellow.' Afterwards the ladies served a very dainty little lunch, and the former came to a close, by singing 'That's the Spirit' which is the address."

Dear Mr. Gordon:

As this is the last hour of our being together as teacher and pupils, we feel we cannot part with you without a few remarks. While you have been associated with us as our teacher, you have worked hard to increase our knowledge, and as the years go by we will live to learn how much the knowledge you have taught us is worth to us as we journey on Life's pathway. We will also remember the hours of pleasure we have had together in our recreation periods, while we played our games of good sports around the school yard. We know in the years that you have taught us we have not always made your pathway all sunshine, but we hope that you will pardon us for all the wrongs we have done, and we feel sorry for being disobedient to you in any way. We are sorry to have to part with you as our teacher, but we know what is our loss is going to be other girls and boys gain, and we will wish you all success in your new duties. While you are leaving us as our teacher, we are glad that you will be able to meet to enjoy friendship as in the past. As a slight remembrance of the well wishes of S.S. No. 7, we ask you to accept this ring and cuff links, as a link and a link of the friendship of the days gone by, between the teacher and pupils. Signed on behalf of S.S. No. 7.
