### FLESHERTON

(Special to The Standard.)

We have received a newsy letter from our friend, Mr. C. T. Pedlar of Neepawa, Man., son of Mrs. Hannah Pedlar of this place, by which we learn he is still conducting an extensive automobile and garage business together with his many other lines in machinery and implements. He recently purchased another garage in town to enlarge his capacity. It is 25 years this spring since Mr. Pedlar located at Neepawa and has since made good. He learned the trade of blacksmith with Mr. D. McTavish here and is interested in his former employer's enterprise in purchasing the Welton property for business purposes. Charlie was initiated in Odd Fellowship here by the writer and is still an ardent member of the three-links, proud of his veteran jewel. He reports a very successful service at the 10th Anniversary of the Order on Sunday, April 26th. He further informs us that Mr. David Mathewson of Neepawa, a former Flesherton boy, suffered a paralytic stroke recently, but is improving. Rev. R. J. Pritchard, pastor of the Methodist Church at Neepawa, and family were reported well. Mr. Pritchard was a former resident of Arnesdale at Vandeleur where he is well known.

A joint meeting of the ministers and officials of the Methodist and Presbyterian Churches here was held in the latter church last week to further discuss the question of local union. The meeting was very harmonious and the matter was freely and fully discussed. Relative to which church will be used, as well as parsonage or manse, in the event of becoming one congregation, a committee was appointed to take the matter up and report at a joint meeting of the congregations at an early date. The committee consists of W. A. Armstrong, W. H. Bunt and Jos. Blakely from the Methodist Church and J. L. McMullen, T. R. McKenzie and J. E. McKee from the Presbyterian Church.

A meeting of the Directors of East Grey Agricultural Society was held at the Manshaw House on Saturday evening last with President Richardson in the chair and the new Secretary, S. E. McDermore, on duty. The minutes of last annual meeting were read and adopted after which a committee was appointed to revise the prize list. It was decided to rent the Fair Grounds to the local race horse owners at \$15.00 per year for three years. Data will be the entry from this Society in the Standing Field Crop Competition this year. It was agreed that membership tickets shall admit one only to the Fair. A committee was appointed to arrange for a special sports day and evening concert some time in June to help raise funds to reduce the Society's indebtedness. A drive for new members is being made and is already meeting with success. The larger the membership the bigger and better the Fair will be and every one in this vicinity should help by becoming a member and helping the Fair.

Sec., Jeanette Carigo; Treas., George McFadden; pianist, Miss Elizabeth Bentham; Assistant, Alice Heard; Pres. of Herald, Cora McFadden; Miss Box Sec., Miss Martha Henderson; Delegate to Branch Meeting, Miss Elizabeth Bentham.

Mrs. W. J. Bellamy here received word on Monday of the death at Collingwood Hospital of her sister, Miss Lottie Osborne, nurse, after an illness of about four years. Until her break in health, due largely to overwork, Miss Osborne was a very efficient nurse beloved by her patients and highly esteemed in all the homes in which she served. She was born in Osprey and was a daughter of the late Mr. and Mrs. James Osborne. From the home of her brother near Collingwood the funeral will take place on Wednesday and will be attended by Mr. and Mrs. Bellamy and other relatives here.

The last official board meeting for the year of the Methodist Board was held at Inistige church on Monday evening and was largely attended by the members here.

Mr. C. Monford has returned home after spending the past couple of weeks at Keady.

There passed away to the great Beyond on Friday evening last, one of the early pioneers of this district in the person of Mrs. J. Irwin at the ripe old age of 90 years. Deceased had been in failing health for some months past and all that loving care and nursing could do was of no avail. She will be greatly missed in the home, and also in the neighborhood, where she spent her entire married life on the farm where she resided. She was a kind neighbor beloved by all who knew her, and her home has ever been noted for its hospitality to all who crossed its threshold. Three daughters and three sons survive, namely: Mrs. McFarland and Mrs. Fitzpatrick, Fort William; John of Meaford, Wm. near Markdale, and George and Flora at home. One son, Samuel, and one daughter, Mrs. C. Monford predeceased their mother. Mr. Irwin also died about twenty years ago. The funeral took place to-day (Monday) to Temple Hill Cemetery, and was one

### Buying Nestock

If you intend to buy cattle for feeding or improving your herd you will probably require a loan to cover the cost.

Farmers of known reputation and character can readily secure such loans from the Bank of Toronto.

The Bank of Toronto's large experience in agricultural financing makes it peculiarly qualified to assist farmers in all problems involving the profitable development of their farms.

See your local Toronto branch manager to-day. He will give you a thorough discussion of your own requirements.

### Do Not Feed Cream to Cows

It is too expensive to feed cream to cows. Farmers feed 20 to 40 cents worth every day without knowing it—simply because their old cream separator does not skim closely and leaves cream in the milk. Cream does not fatten calves—but the sugar and starch in the milk does. Feed them skim milk and calf meal at ten cents a pound, not cream at forty.

Thirty cents worth of cream wasted a day amounts to \$700 a year in one year and does not increase the life of a Melotte separator. It would save you, on this basis, \$2,100.00. Start saving today by using a Melotte.

We have an interesting booklet on the Melotte which you should read carefully. Ask us for a copy.
