The Coleman gives you full cooking heat in 60 seconds! The flame is intensely hot—a clean, blue flame—without smoke or soot. Boils 2 quarts of water or bakes light, flaky, golden-brown biscuits in 4 to 8 minutes. Keeps your kitchen clean and cool.

Only 2 cents worth of fuel cooks the average meal on the Coleman. Our customers say they never saw such a wonderful stove—so safe, handy and clean. Fuel is common motor gasoline, under pressure. Presentation to Mrs. John Reid.  
The monthly meeting of the W.M.S. of St. Paul's Presbyterian Church was held at the home of Mrs. Jno. Reid on Tuesday, May 15th. A large number were present and the quilting of two quilts for the bazaar was finished in good time. Then the most interesting part of the afternoon's program arrived, the presentation to Mrs. Reid of a Life Membership Certificate in the Women's Missionary Society. Mrs. Reid is President of this branch of the Society and the large gathering present very heartily expressed their appreciation of Mrs. Reid's services as President and their sincere love for herself. The address was read by Mrs. Jarvis, Mrs. Watson read a statement of the privileges conferred on one who received a Life Membership Certificate, and Mrs. Storey presented the certificate. Mrs. Reid very fittingly replied to the presentation. She expressed her great joy at the honor done her by the ladies of the society. She referred to the loyal services of all the members of the society, and the great need for most earnest work by all interested in the missionary undertakings of the church. The following is a copy of the address:

We wish to show you that we are sincere in this by honoring you with a life membership certificate in the W.M.S., and trust our Lord and Master will spare you many years to the work dear to each one of us. Signed on behalf of the W.M.S.
