Warden's Picnic

Everybody prepare for Warden McKenzie's picnic which will be held this month. Attend this function as we may never get the opportunity again to be at a warden's picnic. We have been informed that it is for all the people of Grey County and the date will be announced next week. This shows the big-heartedness of our Reeve and Warden. We wish him a beautiful day for the occasion and extend a welcome to the Warden and his many expected visitors to our picturesque little village on that day. The Hydro Park was a fine choice for the meeting, as it is about central for the people of Grey.

The greatest event in S.S. No. 5's

history took place on Friday afternoon, when a section 'Bee' was held.

The grounds were ploughed, harrowed,

stoned, levelled and seeded down, after which the fair ones provided a fine lunch. This was followed by a real, bright program by the school pupils, after which a big surprise was sprung on the popular teacher, Miss E. J. Allan, who is leaving at the end of June. She was presented with a most complimentary address, accompanied by the gifts of a handsome club bag and an ivory brush and comb. Though a complete surprise, Miss Allan made a most tactful reply. One of the unique features of the gathering was the presence of Mr. Robt. Cook of Ceylon, one of the first pupils who attended when the school was opened in 1861. There were three present who attended the old school built by the venerable Mr. J. S. Black 64 years ago.
