CHAPTER XIX.

"You don't say so! Are you sure? stop i little to one side, and both la-heard that she had none away from dies alighted and walked up to the "MISS CARLYON AN ACTRESS!"

Mixed or Green Blends.

I heard that she had gone away from Ayr, but of course we supposed that her object was to be with him, and to see him off at Liverpool."

"I am quite sure. I know her well enought to make no mistake. And there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is no doubt that she is a great actress. As I sat there is not doubt the distinguished and waked up to the duor, which was wide open. When the object was to be with him, and to bell, they ventured in, and ascended there is no doubt that she is a great actress. As I sat there is not doubt that she is a great actress. As I sat there is not doubt that she is a great actress. As I sat there is not doubt the state of instance, for what chance has he—a name. Sat of the whole was in her hand, which she near and she with the whole world the revenue greature in America—and she with the whole world the ladies from The Lees. But though stored in the surprised, it was just as Lucy said, they were they encountered the the stored in the surprised in the surprised it was just as Lucy said, they were they encountered the stored in the s

practically at her feet?"

Lucy made a little nervous gesture with her hands, not lost upon Mrs. but welcomed them quite warmly and invited them to come into a small sittle nervous gesture of the head of the small sittle nervous gesture of the head of the small sittle nervous gesture of the head of the he

this laughter when the hand I do so that to go! I must she would have gone on the stage long story and sadler cone go, mother! Flipse don't refuse, or later that I shall get ready and waik down my-Madox, who persuaded her. He was section in that acceptance of the stage long and waik down my-Madox, who persuaded her. He was section in that acceptance is the last at Patarbone is any long.

sent before he went away. My belief is that when a woman goes on the stage, when she has gifts like Carlotta's, she hasn't the same interest in matrimony. I shouldn't be at all surprised if that came to an end too. Mrs. Carlyon had spent her list night to you see, with a girl like Carlotta, one in Scotland under the roof-tree of Tage never knows! You can't lat down Less and further had been driven in hard and fast rules for her, or calculate with any certainty how she is go-

ing to behave."

Lucy's eyelashes fluttered down, but Mrs. Carlyon, quite unconscious of the undercurrents, babbled on.

Torogram, in company with a Garvock, who showed her as a solicitous attention as if nothing the undercurrents, babbled on. of the undercurrents, paddied on.

"Of course, she may have taken it up just to fill and distract her mind just now; but I know far better than most people what is likely to be the end of it. She'll never give it up after she has felt the plamor of it."

"You could be be to take the plamor of it."

"You could be be to take the plamor of it."

"You could be be to take the plamor of it."

"You could be be to the plamor of it."

"You could be be to the plamor of it."

"You could be be to the plamor of it."

"You could be be to the plamor of it." "You gave it up—did you not?" asked Mrs. Garvock with a smile.

Mrs. Carlyon shrugged her ample shoulders, and her pretty, faded face, looking a little tired and old with the bright May sunshine on it, smiled "Oh, I was never a great act ress!-
