When customers go to the country

many grocers and butchers continue to supply them by calling up out-of-town prospects in a circle of 30, 40, or 50 miles on an appointed day and hour, and getting their orders.

Grocers say they can well afford to do so on weekly orders. Deliveries are made by truck or express.

Visitors renting cottages at nearby points readily respond to offers to supply them, and this is usually profitable business.

We would be glad to help you work out a plan for reaching this trade.

 Miss Graham of London, England, is a visitor with her sister, Mrs. Stewart Thompson of this place.

We noticed an article in the Menford Express in regard to the car which went off the road on the mountain on the 9th and 10th sideroad, which is rather misleading as several parties who visited the scene of the accident soon after it happened give a different view than what appears in the Express. The log mentioned was a piece of stick about 2 or 3 inches thick. Rev. Mr. Ellison drove his car down the same hill at night a short time before the Durham car went over. Another resident of this vicinity has gone down the same road with his Ford coupe in safety.

Mr. Samuel Wiley Jr. we are sorry to report, is on the sick list at present.

The Cherry Grove League were welcome visitors to the New England League on Wednesday evening of last week and supplied the program which was appreciated by the large number present. A cordial invitation is extended to them for another visit in the near future. The meeting was

opened by the president, Mr. Wm. Walker, Mrs. W. E. Myers, Missionary Vice-Pres., had charge of the meeting. The scripture reading was given by Margaret Harvey, the topic by Mrs. W. E. Myers and a paper by Mrs. Wm. Walker. The singing consisted of a chorus by the children and two solos by Mrs. Wm. Dickie and Olga and Perry Lawson and a duet by Mrs. Wm. Walker and Miss Olga Lawson, also three selections by the orchestra and readings by A. Smart, Alina Dickie, Vera Smart and Tom Penleton, and a recitation by Jack Bradey.

Mr. and Mrs. Ellison and son, Joe, are leaving this week on a three weeks' vacation, during which time the service here will be supplied next Sunday, July 26, at 11 o'clock a.m., by Mr. Bailey, Prohibition Secretary of Toronto, while Rev. Mr. Wakefield of Walters Falls will supply for August 2nd, also at 11 a.m., and the following Sunday, August 9th, at 3 p.m.

Owing to the numerous marriages in our neighborhood recently the New England choir has decreased somewhat in number, but, thanks to the organist, a re-organization has taken place and it is once more its usual size. We sincerely hope no more such disasters will occur.

The service given by Rev. Mr. Ellison on Sunday evening was largely attended and a splendid sermon was given.
