PLEASE NOTICE

This is to advise my patients, and others with whom I have business relationships, that during the period of the election campaign I shall not be able to meet them in my office. Any of them having serious dental trouble within the next six weeks, I would respectfully refer to my colleague, Dr. McArthur. With regard to other business matters, my assistant, Miss E. E. Matthews, will be in the office and will give them the attention they require. Having been nominated as a candidate, and having a firm belief in the worthiness of the cause I am upholding, I expect to give my full time to the work of the election in the interests, not only of the party which nominated me, but in what I conceive to be in the best interests of this Dominion. In the past twenty-nine years I have not often taken a lengthy leave of absence. Trusting that you may consider the present occasion a sufficient excuse.

Yours Truly,
L. G. Campbell.

Mrs. Geo. Hartley Injured

Mrs. Geo. Hartley received a bad shaking up on Friday of last week when she fell down the steps at the Waterworks Pumping Station. Mr. Hartley has charge of the pumps, and Mrs. Hartley was on her way down to turn on the power when the accident occurred. She was alone at the time and it was with difficulty that she managed to climb the steps and make her way to the house. Besides a minor fracture of the arm she received a number of nasty cuts and bruises. She is making satisfactory progress toward recovery, but it will be some time before she will have completely recovered from the effects of the fall.

Rev. A. Richardson Moves to Wyoming, Ont.

Rev. A. W. and Miss Richardson left Markdale Tuesday for their new home at Wyoming, to which the former has recently been appointed as rector by the Bishop. Mr. Richardson has been in charge of Christ Church here and St. Matthias' Church at Berkeley for the past seven years and his labours have been successful in both congregations. On Sunday morning last he conducted Harvest Thanksgiving services here and at Berkeley in the afternoon. In the evening he preached his farewell sermon at the service here at which there was a good attendance, many from the other churches in town being present.

Mr. Richardson leaves both congregations in splendid financial condition and many old friends in both places are sorry to see him and Miss Richardson leaving. He was an active member of the O. L. L. No. 1045, Markdale, and the members of the order took advantage of this occasion to present him with a "Past Masters" jewel beautifully engraved.

The congregation at Berkeley gave expression to their feelings as explained in the following, contributed by a correspondent there:

The congregation of St. Matthias' Church, Berkeley, gather at the home of Mr. and Mrs. Harry Sargent on Friday evening to spend a social hour with their rector, Rev. A. W. Richardson, and Miss Richardson before their departure for their new home at Wyoming, Ont. During the evening the following address and presentation was made:

Berkeley, Ont., Sept. 25, 1925.

Dear Mr. and Miss Richardson:

As the next happiest thing to pleasure and profitable associations is at a later date to recall and review them in retrospect, so before you leave this parish, the people of St. Matthias' congregation have wished to gather with you at one last social evening while you are still our rector, to bring to you the pleasure we have experienced from our social contact with you, to express our appreciation of your sincere and earnest ministrations of the past eight years, and to wish you good success and reward in your new field of endeavor.

The stipulation of your presence at our private and public social functions has done much to promote the fraternal spirit which should exist in a Christian congregation. We have valued very highly your ministerial work, your reliability, your regularity, and your work in the pulpit which has been particularly inspiring; and so it is that we regret severing these connections with you. As a slight expression of our esteem we ask you, Mr. Richardson, to accept this club bag, and you, Miss Richardson, to accept this card, and may they serve to remind you of your associations with us. As you assume your duties at your new charge, we wish you success and God speed. Signed on behalf of St. Matthias' congregation.

Wm. Hampton,
Ed. Beatty.

Mr. Richardson made a very feeling reply thanking all for the very kind expression of their good will towards them.

A tasty lunch was then served, after which all joined in singing "God be with you till we meet again." The people then returned to their respective homes feeling a most enjoyable evening had been spent.

Leckie - Graham

At St. Stephen's Church on Saturday afternoon the marriage was solemnized of Alice Violet (Peggy) Graham, youngest daughter of Mrs. Graham and the late Rev. W. A. Graham, to Charles Stewart Leckie, youngest son of the late Mr. and Mrs. John Leckie of Brussels, Ont. The ceremony was performed by Rev. I. G. Wallace, the pastor, while Mr. Fred Lucas presided at the organ. The bride, who was given in marriage by Walter Turner, looked charming in her travelling costume, an ensemble of brown velvet, with beige fox trim, brown velvet hat and shoes in suite, and carried the bridegroom's gift, a gold mesh bag. Her corsage was of Ophelia roses and lily of the valley. Miss Mary Graham was her sister's bridesmaid. She wore a smart frock of brown lace with large brown velvet hat and blonde kid shoes, and carried a sheaf of Autumn flowers. Her gift from the bridegroom was a "diamond" bracelet. Mr. Bernard Danovian acted as best man, and the ushers were Mr. C. S. Malcolm and Mr. Vernon Cook. During the signing of the register Mrs. A. M. Brown, aunt of the bride, sang "All Joy Be Thine." On the return from their wedding trip Mr. and Mrs. Leckie will reside at 45 Willoughby Street, Toronto.

Flesherton Fair

The Fall Fair in Flesherton on Friday of last week was one of the most successful in the history of the Society. The weather was ideal and the program provided for the entertainment of the visitors was an attractive one, holding the attention of the large crowd until late in the afternoon. Excellent horse races pleased those who enjoy the sport, while ladies' softball games attracted a big crowd. Dundalk and Flesherton played the first game in which the latter won. Massie then beat Markdale and in the final they won from Flesherton. Swanton Park pipe band supplied an abundance of Scotch selections. The showing of exhibits in all classes was good and taken all together it was one of the best shows ever held in Flesherton.

T. H. Wilson of this place won first prize with his span of roadsters, first for lady driver and Welton's special for speed. Percy Sims captured third first with his local mare and colt. He also got five firsts and four seconds for his Aberdeen Angus cattle. Messrs. Harry Baker and Ed. Littlejohn were among the prize winners in cattle and a number of others from this locality were also in the prize winning list.

Hunchback to Show Here at Last

Arrangements have been effected for a local showing of the Gigantic Motion Picture Classic, "The Hunchback of Notre Dame," on Wednesday, October 14th, Fair Night, at the Regent Theatre, Markdale. The widespread renown of the famous Victor Hugo masterpiece in its celluloid form is such that it is hardly necessary to dwell upon the greatness of the production. It is claimed that \$1,500,000.00 was spent on the production and 3500 people took part. It is generally conceded to be the greatest character actor up to the present time. 30 million people have paid admission to see the Hunchback which still holds the record for any picture for attendance. Don't miss seeing the Hunchback of Notre Dame. The greatest picture of all time. Has never been equalled and never will.
