MARKDALE, ONTARIO, THURSDAY, MAY 6th, 1926.

\$2.00 PER YEAR IN ADVANCE.

## Put the 'Out' Into Scouting

Our local scouts have certainly caught the real spirit of scouting. They have learned to be big—big in body and big in heart. If our readers have some day after school, just to see our boys try out their cooking in Rushing Water Park, only be sure you bring half a pound of steak and two potatoes for your own meal, for sweet wood smoke and fresh air coupled with the tempting "dour" from half a dozen miniature kitchens will surely whet your appetite. This is a secret!—One visitor is reported as having added three eggs to the suggested menu. We do have to great times and not least of all we find out a lot more good in the other camp than we thought he had. When your pepper and salt is all spilled in to the bottom of your haversack, or somebody forgot to order your "hunk o' meat", or you want to fry and have no fat, or you think "if only I had an onion", and somebody calls over, "here take some of mine"—isn't it a grand and glorious feeling?

## Some of the fires were remarkably good last week and would have satisfied the critical judgment of an Indian.

Jim Noble built a wonderful "Flap-Jack" fireplace, and Cliff White constructed a regular "Bean Cooker" out of rocks, and added a most ingenious derflick affair to make the very most of his fire. Most of us discovered that a very small fire, properly built, will do far more in less time than a big one carelessly piled up. Only one boy used his full allowance of "matches", which is the real test of a properly built fire. George Noble was the last to finish, but my, what a "Billy Shun" and he was amply repaid for this extra time, in the quality of his stew. A week previous the last to finish produced a wonderful stew, and they hangs a lesson. "If you want good stew, don't begrudge the minutes, for it is the last ten minutes that makes all the difference. And now about camp. We all go to camp, but scouts don't pay the bills, for scouts are thrifty and independent. It's none too soon to look around for odd jobs to earn money for the camp fees. The writer hopes that our good citizens will kindly remember that there are at least twenty boys around town whose "honor is to be trusted", and who will be glad to do their odd jobs for a reasonable remuneration. How about cleaning up the lawn, or perhaps keeping it mowed during the summer? A scout always "does his best", and there is no better recommendation than the scout button.

## George S. Taylor Dead

After but a few days' illness Mr. George S. Taylor of this place passed away on Saturday afternoon, May 1st, 1926, aged 81 years. A few days after the death of Mrs. Taylor, who passed away on April 16th, Mr. Taylor went to the home of Mr. Alfred A. Lyons at Hartway with whom he intended to reside, and here he took a stroke a few days before death. The deceased was born on the Isle of Wight and came to Canada with his parents, who settled first in Marietta township. Later they moved to Euphrasia and here Mr. Taylor farmed until about seven years ago when he and Mrs. Taylor retired to the village. The deceased was the last of a large family to pass away.

## United Church Y.P.S.

The Y.P.S. met in the former Methodist Church on Monday evening, May 3rd. Miss Jean Curry read the Scripture Lesson and Dr. Gray gave the opening prayer. Dr. McMillan then took charge of the meeting and an enjoyable time was spent in song. Dr. McMillan led the young people in learning new tunes for some of our old familiar hymns. The evening was appreciated by all.

## Loses Sight of Eye

The nine year old daughter of Mr. and Mrs. J. J. Boyce of the 4th Hno, Artemesia, was splinting cedar when a chip flew up and struck her in the eye, cutting it so severely that she has lost the sight of it. She was taken to the hospital for sick children in Toronto, where efforts are being made to save the sight of the other eye. Mr. and Mrs. Boyce returned home on Saturday, leaving the "little girl" comparatively happy with other little invalids.—Flesherton Advance.

## The Baseball Diamond

Flesherton and Dundalk fans are already looking forward to the championship of the Centre Grey Baseball League for 1926. In 1925 Flesherton's aggregation won the title to the cup and they claim to have material for a snappy team this year, although they have lost several of their former players by removal. Dundalk has had a good team for several years but they will have to fill the places of several good men who have moved away, among them Bill Charlton, their first baseman, and Geo. Armstrong, the "head" twirler. Vanderleur's ball team for a number of years was one of the best in the district and they have plenty of material yet to put an aggregation on the field which would keep the others going some in order to beat them.

## An Election Coming?

It's beginning to look as though there might be a Provincial election during the present year. In 1925 the riding of Centre Grey was one of those eliminated and near the close of the 1926 session of the Legislature further changes were made, among them a re-adjustment of the two Grey ridings. Sullivan township has been taken from South Grey and placed in the North and Euphrasia has been placed in the South. These changes will please some and others they will displease. They were made, no doubt, to benefit the present members and from our way of seeing things both have been strengthened by the changes. Sullivan gives a big U.F.O. majority and Mr. Taylor of North Grey will appreciate this. Euphrasia generally goes Tory and we imagine Dr. Jamieson will be pleased to have them in his territory. It looks like preparation for an election in the near future.

# GIGANTIC SALE

## AUTOMOBILE TIRES AND TUBES

I have just made a very attractive purchase of brand new, fully guaranteed tires and tubes, which enables me to give to every car owner exceptional bargain prices.

## Lawrence McLean Lee

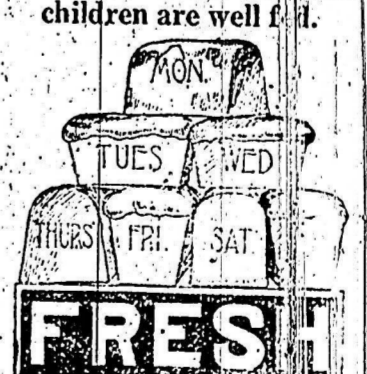

(Oak River News, Man.)  
The entire community was shocked on Monday evening to learn of the sudden passing of Mr. Lawrence McLean Lee, who died that evening in Hamilton hospital. Mr. Lee had not been very well the previous week but was going about his work as usual and was around the village Saturday evening. After going home he became very ill and the doctor pronounced it pneumonia. On Sunday afternoon he was moved to Hamilton hospital where he lived only another day. Mr. Lee was born at Markdale, Ont., 32 years ago and came to Manitoba when 17 years of age. In 1916 he married Annie Robbins of Oak River. For a number of years the deceased has been an active member of the Oak River L.O.B.A. of which lodge he has been Worshipful Master for three years. He was also a member of the Carleton Place L.O.B.A. The late Mr. Lee is survived by his widow and three small children, Sadie, Bobbie and Morris; his father and mother, Mr. and Mrs. John Lee and seven brothers and sisters: George, William, Edward, Dan and Dave of Markdale; Mrs. C. Hutchings of Markdale; Mrs. W. Dillon of Seneca, Ont.; and Mrs. W. W. Dillon of Seneca, Ont. The funeral service will be held on Wednesday afternoon at the Methodist Church by the Pastor, Rev. W. J. Dickson, assisted by Rev. W. J. Dickson and Rev. G. H. Johnson. A large number of members of the L.O.B.A. and other fraternal organizations will be present. The service will be held at 2 o'clock in the afternoon at the residence of Mrs. Lee in her home on Main Street, Markdale.

## ENGLAND

### Talks on Bread and Other Things

The fundamental importance of bread as the main food, the lowest priced food, the food which contains more of the elements of nutrition needed in the daily diet of both young and old than any other single food of general consumption, is universally acknowledged. With sufficient bread and milk the children are well fed.
